## **Draft Environmental Impact Statement and Plans for the Proposed Potomac Yard Metrorail Station Alexandria, Virginia Docket R15-01**

### **Purpose**

**Notice is hereby given that a public hearing will be held by the Washington Metropolitan Area Transit Authority on the Draft Environmental Impact Statement and plans for the proposed Potomac Yard Metrorail Station in Alexandria, Virginia as follows:**

Hearing No. 604  
Thursday, April 30, 2015  
Cora Kelly Recreation Center  
25 West Reed Avenue  
Alexandria, VA 22305  
Closest Metrorail station: Braddock Road

Shuttle bus will depart Braddock Road at 5:00pm, 5:30pm, 6:00pm and 6:30pm;  
Return shuttle will depart the Cora Kelly Recreation Center at the conclusion of the hearing.

**Hearing scheduled to begin at 7:00 p.m.**  
**Open house at 6:30 p.m.**

**Please note that this date is subject to the facility's cancellation policy.**

The locations of all public hearings are wheelchair accessible. Any individual who requires special assistance such as a sign language interpreter or additional accommodation to participate in the public hearing, or who requires these materials in an alternate format, should contact Danise Peña at 202-962-2511 or TTY: 202-962-2033 as soon as possible in order for Metro to make necessary arrangements. For language assistance, such as an interpreter or information in another language, please call 202- 962-2582 at least 48 hours prior to the public hearing date.

For more information please visit  
[www.potomacyardmetro.com](http://www.potomacyardmetro.com) and [www.wmata.com/hearings](http://www.wmata.com/hearings)

## **PURPOSE OF THE PUBLIC HEARING**

Notice is hereby given that a public hearing will be held by the Washington Metropolitan Area Transit Authority (WMATA) regarding the Draft Environmental Impact Statement (Draft EIS) and plans for the proposed Potomac Yard Metrorail Station in Alexandria, Virginia. At the hearing, WMATA will receive and consider public comments and suggestions about the proposal. The proposed alternatives may change as a result of this hearing.

## **REFERENCE MATERIAL AVAILABLE FOR INSPECTION**

The Draft Environmental Impact Statement (Draft EIS) and general plans for the proposed Potomac Yard Metrorail Station are available online at [www.potmacyardmetro.com](http://www.potmacyardmetro.com) and [www.wmata.com/hearings](http://www.wmata.com/hearings) and may be inspected during normal business hours at the following locations beginning Monday, March 30, 2015:

### WMATA

Office of the Secretary  
600 Fifth Street, NW, Room 2D-209  
Washington, DC 20001

Arlington, VA 22202  
703-228-5715

## **WHAT IS PROPOSED**

The City of Alexandria, in cooperation with WMATA, is proposing the construction of a new Metrorail station at Potomac Yard within the City of Alexandria. Construction would include a new Metrorail station, associated track improvements, and pedestrian bridges. The station would be located along the existing Metrorail Blue and Yellow Lines between the Ronald Reagan Washington National Airport Metrorail station and the Braddock Road Metrorail station. The project is proposed to improve local and regional transit accessibility to and from the Potomac Yard area adjacent to the U.S. Route 1 corridor for current and future residents, employees, and businesses.

## **Project Alternatives**

The Draft EIS identifies and evaluates alternatives that meet the project's purpose and need. The Draft EIS includes a "No Build Alternative", which describes what would happen if no station was built. The No Build Alternative provides a baseline to compare impacts. The Draft EIS considers the following alternatives: a No Build Alternative, three Metrorail build alternatives (Build Alternatives A, B, and D), and a design option of Build Alternative B (B-CSX Design Option). The City of Alexandria will select a preferred alternative as part of its separate legislative process.

### **No Build Alternative**

The No Build Alternative includes planned transportation projects expected to be finished by 2040, except the Potomac Yard Metrorail station. These No Build projects include completion of the Potomac Yard street network and multi-use trails; future pedestrian/bicycle bridge between Potomac Yard and Potomac Greens; and expansion of local bus services.

### **Build Alternative A**

Build Alternative A is located along the existing Metrorail tracks between the CSX Transportation (CSXT) railroad tracks and the north end of the Potomac Greens neighborhood, generally within the "Metrorail Reservation" identified as part of the City of Alexandria's *Potomac Yard/Potomac Greens Small Area Plan* (1999).

The Build Alternative A station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative A would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

### **Build Alternative B**

Build Alternative B is located between the George Washington Memorial Parkway and the CSXT railroad tracks north of the Potomac Greens neighborhood, and east of the existing Potomac Yard Shopping Center. Portions of Build Alternative B would be located within the Greens Scenic Area, a National Park Service (NPS)-administered easement located within the City's Potomac Greens Park.

The Build Alternative B station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative B would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

## **B-CSX Design Option**

B-CSX Design Option is located east of the existing Potomac Yard movie theater on land currently occupied by the CSXT railroad tracks. This design option of Alternative B would require relocation of the CSXT tracks to the west, providing the room necessary for the station and realigned Metrorail track to avoid George Washington Memorial Parkway property and the Greens Scenic Area easement.

The B-CSX Design Option station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Under B-CSX Design Option, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

## **Build Alternative D**

Build Alternative D is located west of the CSXT railroad tracks near the existing Potomac Yard Shopping Center. The alternative would require the construction of elevated tracks starting north of Four Mile Run, crossing over the CSXT tracks into Potomac Yard, and then crossing over the CSXT tracks again to reconnect to the existing Metrorail line behind Potomac Greens.

Build Alternative D would include the construction of an elevated station platform with a ground floor mezzanine entrance. Under Build Alternative D, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

## **WMATA COMPACT REQUIREMENTS**

WMATA's Compact requires that the Board, in amending the mass transit plan, consider current and prospective conditions in the transit zone should the project be built. The transit zone includes the City of Alexandria, and considerations include, without limitation, land use, population, economic factors affecting development plans, existing and proposed transportation and transit facilities, any dislocation of families or businesses; preservation of the beauty and dignity of the DC Metro Area; factors affecting environmental amenities and aesthetics, and financial resources. The mass transit plan encompasses, among other things, transit facilities to be provided by WMATA, including stations and parking facilities, and the character, nature, design, location and capital and operating costs thereof. The mass transit plan, in addition to designating the design and location of transit facilities, also provides for capital and operating expenses, as well as "various other factors and considerations, which, in the opinion of the Board, justify and require the projects therein proposed," all as more particularly set forth in WMATA's Compact.

The Federal Transit Administration (FTA) and the City of Alexandria, in cooperation with WMATA and the National Park Service (NPS), prepared a Draft Environmental Impact

Statement (Draft EIS) in accordance with WMATA Compact policies, the National Environmental Policy Act (NEPA) and Section 106 of the National Historic Preservation Act. The Draft EIS and general plans for the project are available for public review at the locations identified in the reference materials section above.

### **HOW TO REGISTER TO SPEAK AT THE PUBLIC HEARING**

All organizations or individuals desiring to be heard with respect to the proposal will be afforded the opportunity to present their views and make supporting statements and to offer alternative proposals. In order to establish a witness list, individuals and representatives of organizations who wish to be heard at the public hearing are requested to furnish in writing their name and organization affiliation, if any, via email to [speak@wmata.com](mailto:speak@wmata.com). The request may also be mailed to the Office of the Secretary, Washington Metropolitan Area Transit Authority, 600 Fifth Street, NW, Washington, DC 20001. Alternatively, you may fax this information to 202-962-1133. Please submit only one speaker's name per letter. Lists of individual speakers will not be accepted. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided. Public officials will be heard first and will be allowed five minutes each to make their presentations. All others will be allowed three minutes each. Relinquishing of time by one speaker to another will not be permitted.

### **HOW TO SUBMIT WRITTEN STATEMENTS**

Written statements and exhibits must be received by 5 p.m. on Monday, May 18, 2015 by the Office of the Secretary and may be emailed to [comments@potomacyardmetro.com](mailto:comments@potomacyardmetro.com) or [writtentestimony@wmata.com](mailto:writtentestimony@wmata.com). They may also be mailed to one of the following addresses:

Potomac Yard Metrorail Station EIS  
P.O. Box 16531  
Alexandria, VA 22302

Office of the Secretary  
Washington Metropolitan Area Transit Authority  
600 Fifth Street, NW  
Washington, DC 20001

Alternatively, statements may be faxed to 202-962-1133. Please reference the Hearing or Docket Number in your submission. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided.

**Notificación de Audiencia Pública**  
**Autoridad de Tránsito del Área Metropolitana de Washington**  
**Borrador de la Declaración de Impacto Ambiental y Planes para la**  
**Propuesta Estación de Metrorail en Potomac Yard**  
**Alexandria, Virginia**  
**Expediente R15-01**

**OBJETIVO**

Por el presente se notifica que la Autoridad de Tránsito del Área Metropolitana de Washington (WMATA, en inglés) llevará a cabo una audiencia pública sobre el Borrador de la Declaración de Impacto Ambiental y los planes para la propuesta estación de Metrorail en Potomac Yard en la Ciudad de Alexandria, Virginia, según se indica a continuación:

Audiencia N.º 604  
jueves, 30 de abril, 2015  
Centro de Recreación Cora Kelly  
25 West Reed Avenue  
Alexandria, VA 22305  
Estación de Metro más cercana: Braddock Road

Servicio gratuito de autobuses partirá de Braddock Road a las 5:00 p.m., 5:30 p.m., 6:00 p.m., y 6:30 p.m.; servicio gratuito de autobuses partirá del Centro de Recreación Cora Kelly a la conclusión de la audiencia.

**Audiencia pública a las 7:00 p.m.**  
**Sesión abierta a las 6:30 p.m.**

**Por favor observe que esta fecha está sujeta a la política de cancelación de cada instalación**

Las ubicaciones de todas las audiencias públicas tienen acceso a silla de ruedas. Las personas que requieran asistencia especial, como un intérprete de lenguaje de señas o más plazas para participar de las audiencias públicas, o que soliciten estos materiales en otro formato, deben comunicarse con Danise Peña al 202-962-2511 o TTY: 202-962-2033 lo más antes posible para que el personal de Metro realice los debidos preparativos. Para obtener asistencia en idiomas, como un intérprete o información en otro lenguaje, llame al 202-962-2582 por lo menos 48 horas antes de la fecha de la audiencia pública.

Para obtener más información, visite  
[www.potomacyardmetro.com](http://www.potomacyardmetro.com) y [www.wmata.com/hearings](http://www.wmata.com/hearings)

## **OBJETIVO DE LA AUDIENCIA PÚBLICA**

Por el presente se notifica que WMATA llevará a cabo una audiencia pública sobre el Borrador de la Declaración de Impacto Ambiental y los planes para la propuesta estación de Metrorail en Potomac Yard en la Ciudad de Alexandria, Virginia. En la audiencia pública, WMATA recibirá y tomará en cuenta comentarios públicos y sugerencias sobre las propuestas. Los diseños de concepto propuestos pueden cambiar a resultado de esta audiencia pública.

## **MATERIALES DISPONIBLES PARA EXAMINAR**

El Borrador de la Declaración de Impacto Ambiental y los planes para la propuesta estación de Metrorail en Potomac Yard están disponibles por internet en [www.potmacyardmetro.com](http://www.potmacyardmetro.com) y [www.wmata.com/hearings](http://www.wmata.com/hearings) y pueden ser revisados durante el horario laboral en los siguientes sitios a partir del lunes, 30 de marzo del 2015:

WMATA  
Oficina de la Secretaría  
600 Fifth Street, NW, Cuarto 2D-209  
Washington, DC 20001  
202-962-2511  
(Llame con anticipación para coordinar)

Biblioteca Aurora Hills  
735 18<sup>th</sup> Street, South  
Arlington, VA 22202  
703-228-5715

## **PROPUESTA:**

La Ciudad de Alexandria, en cooperación con WMATA, propone la construcción de una nueva estación de Metrorail en Potomac Yard en la Ciudad de Alexandria. La construcción incluiría una nueva estación de Metrorail, mejoras a la vía férrea, y puentes peatonales. La estación estaría situada a lo largo de las actuales líneas Azul y Amarilla de Metrorail entre la estación de Metrorail del Aeropuerto Ronald Reagan Washington Nacional y la estación de Metrorail Braddock Road. Se propone el proyecto para mejorar la accesibilidad por transporte público al nivel local y regional hacia y desde el área de Potomac Yard adyacente a la Ruta 1 (U.S. Route 1, en inglés) para los residentes actuales y para los residentes, los empleados y las empresas del futuro.

## **Alternativas del Proyecto**

El Borrador de la Declaración de Impacto Ambiental identifica y evalúa las alternativas que cumplan con el propósito y la necesidad del proyecto. El Borrador de la Declaración de Impacto Ambiental incluye una alternativa de "No Construir" que describe lo que sucedería si no se construye la estación. La alternativa de No Construir proporciona un punto de referencia para comparar los impactos. El Borrador de la Declaración de Impacto Ambiental considera las siguientes alternativas: la Alternativa de No Construir, tres alternativas de construcción de la estación de Metrorail (Alternativa de Construir A, B y D), y una opción de diseño de la Alternativa de Construir B (Opción de Diseño B-CSX). La Ciudad de Alexandria seleccionará una alternativa preferida como parte de su proceso legislativo.

### **Alternativa de No Construir**

La Alternativa de No Construir consiste en la red de transporte actual y los proyectos ya programados en los planes regionales de transporte que se construirán antes del 2040, excepto la estación de Metrorail en Potomac Yard. Estos proyectos incluyen la finalización de la red de calles de Potomac Yard y senderos de usos múltiples; puentes peatonales y para bicicletas entre Potomac Yard y Potomac Greens; y la expansión del servicio local de autobuses.

### **Alternativa A**

Alternativa A se ubicaría entre la vía férrea del Ferrocarril CSXT y el extremo norte de la comunidad de Potomac Greens, en la "Reserva de Metrorail" que fue señalada en las iniciativas anteriores de planificación de la Ciudad de Alexandria. La iniciativa anterior se titula *Potomac Yard/Potomac Greens Small Area Plan* (1999).

El andén de la estación de Alternativa A se construiría al mismo nivel que las actuales vías férreas de Metrorail. Las entradas serían elevadas con dos puentes peatonales desde la estación sobre la vía férrea de CSXT y hacia Potomac Yard. Alternativa A proveería acceso peatonal y para bicicletas las 24 horas del día desde Potomac Yard a Potomac Greens a través de uno de los dos puentes peatonales.

### **Alternativa B**

Alternativa B se ubicaría entre el George Washington Memorial Parkway y la vía férrea del Ferrocarril CSXT, al norte de la comunidad de Potomac Greens, y al este del actual centro comercial de Potomac Yard. Partes de Alternativa B estarían ubicadas dentro de la Greens Scenic Area, una servidumbre administrada por el Servicio de Parque Nacional (NPS, en inglés) y ubicada dentro del Parque Potomac Greens de la Ciudad de Alexandria.

El andén de la estación de Alternativa B se construiría al mismo nivel que las actuales vías férreas de Metrorail. Las entradas serían elevadas con dos puentes peatonales desde la estación sobre la vía férrea de CSXT y hacia Potomac Yard. Alternativa B

proveería acceso peatonal y para bicicletas las 24 horas del día desde Potomac Yard a Potomac Greens a través de uno de los dos puentes peatonales.

### **Opción de Diseño B-CSX**

La Opción de Diseño B-CSX estaría ubicada al este del actual cine de Potomac Yard en terreno que actualmente se utiliza por las vías férreas del Ferrocarril CSXT. Esta Opción de Diseño de Alternativa B requeriría la reubicación de las vías férreas hacia el oeste. La reubicación proporcionaría el espacio necesario para la estación y para realinear las vías de Metrorail para evitar la propiedad George Washington Memorial Parkway y la servidumbre de la Greens Scenic Area.

El andén de la estación de Opción de Diseño B-CSX se construiría al mismo nivel que las actuales vías férreas de Metrorail. Las entradas serían elevadas con dos puentes peatonales desde la estación sobre la vía férrea de CSXT y hacia Potomac Yard. Bajo la Opción de Diseño B-CSX, se construiría un puente separado para proporcionar acceso a peatones y bicicletas las 24 horas del día entre Potomac Yard y Potomac Greens. La Ciudad de Alexandria construiría el puente como parte de otro proyecto.

### **Alternativa D**

Alternativa D se ubicaría justo al oeste de la vía férrea del Ferrocarril CSXT cerca del actual centro comercial de Potomac Yard. La alternativa requeriría la construcción de vías elevadas a partir del área al norte del arroyo Four Mile Run, cruzaría sobre las vías férreas de CSXT hacia Potomac Yard, y cruzaría las vías férreas de CSXT de nuevo para conectarse con las actuales vías férreas de Metrorail detrás de Potomac Greens. El andén de la estación de Alternativa D sería construida sobre el nivel de la tierra y las entradas serían al nivel de la tierra. Bajo la Alternativa D, se construiría un puente separado para proporcionar acceso a peatones y bicicletas las 24 horas del día entre Potomac Yard y Potomac Greens. La Ciudad de Alexandria construiría el puente como parte de otro proyecto.

### **REQUISITOS DEL ACUERDO DE WMATA**

El Acuerdo de WMATA requiere que la Junta, al modificar el plan de transporte público, tome en cuenta las condiciones actuales y posibles en la zona de tránsito en caso de que se construya el proyecto. La zona de tránsito incluye la Ciudad de Alexandria y las consideraciones incluyen, entre otras, el uso de suelo, la población, factores económicos que afectan los planes de desarrollo, instalaciones de transporte y tránsito existentes y propuestas, todo trastocamiento de familias o negocios; preservación de la belleza y la dignidad de la zona metropolitana de Washington; factores que afecten las amenidades ambientales y la estética, y los recursos financieros. El plan de tránsito masivo abarca, entre otras cosas, instalaciones de tránsito que va a suministrar WMATA, que incluye instalaciones para estaciones y estacionamientos, y el carácter, naturaleza, diseño, ubicación y costo de capital y de operación de las mismas. El plan de tránsito masivo, además de realizar el diseño y la ubicación de las instalaciones de tránsito, también provee el capital y los gastos de operación, así como "otros diversos factores y consideraciones que, en opinión de la Junta, justifiquen y requieran los

proyectos propuestos,” según se establezca de manera más particular en el Acuerdo de WMATA.

La Administración Federal de Transporte Público (FTA, en inglés) y la ciudad de Alexandria, en cooperación con WMATA y el Servicio de Parque Nacional (NPS, en inglés) prepararon un borrador del estudio ambiental para proveer la documentación ambiental requerida según el Acuerdo de WMATA, así como la Ley Nacional sobre la Política Ambiental (NEPA, en inglés) y la Sección 106 de la Ley Nacional de Preservación Histórica. Este documento, junto con una descripción más detallada de la propuesta del proyecto, está disponible para revisión pública en las ubicaciones indicadas en la sección de materiales de referencia, que se encuentra anteriormente.

### **CÓMO REGISTRARSE PARA HABLAR EN LA AUDIENCIA PÚBLICA**

Todas las organizaciones o personas que deseen ser escuchadas con respecto a la propuesta tendrán oportunidad de presentar sus puntos de vista y de realizar declaraciones de apoyo, y ofrecer propuestas alternativas. Con el fin de establecer una lista de testigos, se solicita a las personas y a los representantes de organizaciones que deseen ser escuchados en la audiencia pública que entreguen por escrito su nombre y la afiliación a su organización, si la hubiera, por correo electrónico a [speak@wmata.com](mailto:speak@wmata.com). La solicitud puede enviarse también por correo a: Office of the Secretary, Washington Metropolitan Area Transit Authority, 600 Fifth Street, NW, Washington, D.C. 20001. Como alternativa, puede enviar esta información por fax al 202-962-1133. Envíe solamente un nombre de orador por solicitud. No se aceptarán listas de oradores individuales. Tome en cuenta que todos los comentarios recibidos pueden ser entregados al público con previa solicitud, y pueden ser publicados en la página web de WMATA, sin cambio, e incluyendo cualquier información personal proporcionada. Se escuchará primero a los funcionarios públicos, y se les asignarán cinco minutos a cada uno para que realicen sus presentaciones. A todos los demás se les asignará tres minutos. No se permitirá que un orador renuncie su tiempo a favor de otro.

### **CÓMO ENVIAR DECLARACIONES POR ESCRITO**

Las declaraciones y anexos por escrito deben recibirse a más tardar a las 5 p.m. del lunes, 18 de mayo del 2015 en la Oficina de la Secretaría y pueden enviarse por correo electrónico a [comments@potomacyardmetro.com](mailto:comments@potomacyardmetro.com) o [writtentestimony@wmata.com](mailto:writtentestimony@wmata.com). También se pueden enviar por correo a una de las siguientes direcciones:

Potomac Yard Metrorail Station EIS  
P.O. Box 16531  
Alexandria, VA 22302

Office of the Secretary  
Washington Metropolitan Area Transit Authority  
600 Fifth Street, NW  
Washington, DC 20001

Como alternativa, puede enviar las declaraciones por fax al 202-962-1133. En su envío haga referencia al número de audiencia o de expediente. Tome en cuenta que todos los comentarios recibidos pueden ser entregados al público con previa solicitud, y pueden ser publicados en la página web de WMATA, sin cambio, e incluyendo cualquier información personal proporcionada.

James M. Duncan Branch Library 2501 Commonwealth Avenue Alexandria, VA 22301 703-746-1705

WHAT IS PROPOSED

The City of Alexandria, in cooperation with WMATA, is proposing the construction of a new Metrorail station at Potomac Yard within the City of Alexandria. Construction would include a new Metrorail station, associated track improvements, and pedestrian bridges. The station would be located along the existing Metrorail Blue and Yellow Lines between the Ronald Reagan Washington National Airport Metrorail station and the Braddock Road Metrorail station. The project is proposed to improve local and regional transit accessibility to and from the Potomac Yard area adjacent to the U.S. Route 1 corridor for current and future residents, employees, and businesses.

Project Alternatives

The Draft EIS identifies and evaluates alternatives that meet the project's purpose and need. The Draft EIS includes a "No Build Alternative," which describes what would happen if no station was built. The No Build Alternative provides a baseline to compare impacts. The Draft EIS considers the following alternatives: a No Build Alternative, three Metrorail build alternatives (Build Alternatives A, B, and D), and a design option of Build Alternative B (B-CSX Design Option). The City of Alexandria will select a preferred alternative as part of its separate legislative process.

No Build Alternative

The No Build Alternative includes planned transportation projects expected to be finished by 2040, except the Potomac Yard Metrorail station. These No Build projects include completion of the Potomac Yard street network and multi-use trails; future pedestrian/bicycle bridge between Potomac Yard and Potomac Greens; and expansion of local bus services.

Build Alternative A

Build Alternative A is located along the existing Metrorail tracks between the CSX Transportation (CSXT) railroad tracks and the north end of the Potomac Greens neighborhood, generally within the "Metrorail Reservation" identified as part of the City of Alexandria's Potomac Yard/Potomac Greens Small Area Plan (1999).

The Build Alternative A station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative A would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

Build Alternative B

Build Alternative B is located between the George Washington Memorial Parkway and the CSXT railroad tracks north of the Potomac Greens neighborhood, and east of the existing Potomac Yard Shopping Center. Portions of Build Alternative B would be located within the Greens Scenic Area, a National Park Service (NPS)-administered easement located within the City of Potomac Greens Park.

The Build Alternative B station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative B would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

B-CSX Design Option

B-CSX Design Option is located east of the existing Potomac Yard movie theater on land currently occupied by the CSXT railroad tracks. This design option of Alternative B would require relocation of the CSXT tracks to the west, providing the room necessary for the station and realigned Metrorail track to avoid George Washington Memorial Parkway property and the Greens Scenic Area easement.

The B-CSX Design Option station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Under B-CSX Design Option, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

Build Alternative D

Build Alternative D is located west of the CSXT railroad tracks near the existing Potomac Yard Shopping Center. The alternative would require the construction of elevated tracks starting north of Four Mile Run, crossing over the CSXT tracks into Potomac Yard, and then crossing over the CSXT tracks again to reconnect to the existing Metrorail line behind Potomac Greens.

Build Alternative D would include the construction of an elevated station platform with a ground floor mezzanine entrance. Under Build Alternative D, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

WMATA COMPACT REQUIREMENTS

WMATA's Compact requires that the Board, in amending the mass transit plan, consider current and prospective conditions in the transit zone should the project be built. The transit zone includes the City of Alexandria, and considerations include, without limitation, land use, population, economic factors affecting development plans, existing and proposed transportation and transit facilities, any relocation of families or businesses, preservation of the beauty and dignity of the DC Metro Area; factors affecting environmental amenities and aesthetics, and financial resources. The mass transit plan encompasses, among other things, transit facilities to be provided by WMATA, including stations and parking facilities, and the character, nature, design, location and capital and operating costs thereof. The mass transit plan, in addition to designating the design and location of transit facilities, also provides for capital and operating expenses, as well as "various other factors and considerations, which, in the opinion of the Board, justify and require the projects therein proposed," all as more particularly set forth in WMATA's Compact.

The Federal Transit Administration (FTA) and the City of Alexandria, in cooperation with WMATA and the National Park Service (NPS), prepared a Draft Environmental Impact Statement (Draft EIS) in accordance with WMATA Compact policies and the National Environmental Policy Act (NEPA) and Section 106 of the National Historic Preservation Act. The Draft EIS and general plans for the project are available for public review at the locations identified in the reference materials section above.

HOW TO REGISTER TO SPEAK AT THE PUBLIC HEARING

All organizations or individuals desiring to be heard with respect to the proposal will be afforded the opportunity to present their views and make supporting statements and to offer alternative proposals. In order to establish a witness list, individuals and representatives of organizations who wish to be heard at the public hearing are requested to furnish in writing their name and organization affiliation, if any, via email to speak@wmata.com. The request may also be mailed to the Office of the Secretary, Washington Metropolitan Area Transit Authority, 600 Fifth Street, NW, Washington, DC 20001. Alternatively, you may fax this information to 202-962-1133. Please submit only one speaker's name per letter. Lists of individual speakers will not be accepted. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided. Public officials will be heard first and will be allowed five minutes each to make their presentations. All others will be allowed three minutes each. Relinquishing of time by one speaker to another will not be permitted.

HOW TO SUBMIT WRITTEN STATEMENTS

Official Notices Official Notices

CITY OF ALEXANDRIA, VIRGINIA NOTICE OF PUBLIC HEARING AND NOTICE OF AVAILABILITY OF THE DRAFT FY 2016-2020 FIVE-YEAR CONSOLIDATED PLAN AND DRAFT FY 2016 ONE-YEAR ACTION PLAN FOR HOUSING AND COMMUNITY DEVELOPMENT

The City of Alexandria's Draft Five-Year Consolidated Plan for the period July 1, 2016 to June 30, 2020 and Draft One-Year Action Plan for the period July 1, 2015 to June 30, 2016 for Housing and Community Development will be available for comment period beginning on or about Wednesday, April 1, 2015 and ending Friday, May 1, 2015. Persons wishing to comment on the Draft Five-Year Consolidated Plan and Draft One-Year Action Plan may do so either in writing and/or by providing testimony at either the public hearing to be held during the Affordable Housing Advisory Committee (AHAC) meeting on April 6, beginning at 7 p.m., located in Room 3008 of the Alexandria City Hall, or the regular public hearing on April 18, beginning at 9:30 a.m., located in the City Council Chambers, second floor of the Alexandria City Hall, 301 King Street, Alexandria, Virginia.

The City's Draft FY 2016-2020 Five-Year Consolidated Plan and Draft FY 2016 One-Year Action Plan have been developed in accordance with guidelines set forth by the U.S. Department of Housing and Urban Development (HUD).

The Five-Year Consolidated Plan is a comprehensive planning document that identifies the housing and community development needs of the City of Alexandria's extremely low-to-moderate-income, homeless and special needs populations, as well as of any target areas identified by the City, and outlines strategies for addressing the needs of these groups and/or designated areas over a five-year period. The One-Year Action Plan describes actions to be taken during FY 2016 to meet housing and community development needs identified in the City's Five-Year Consolidated Plan, and serves as the City's application to HUD for \$742,789 in Federal Fiscal Year (FFY) 2015 Community Development Block Grant (CDBG) funds and \$357,258 in Home Investment Partnership Program (HOME) funds.

Activities to be supported with CDBG Program funds have been developed to meet the national objective of benefiting low- and moderate-income persons. Activities to be supported with HOME Program funds have been developed to be consistent with the HOME Program objective of expanding the supply of decent, safe, sanitary, and affordable housing. CDBG Program activities will continue the City's ongoing efforts to address the needs of its low- to moderate-income residents, identify and eradicate illegal housing discrimination, and provide housing rehabilitation assistance to income-eligible homeowners; emergency housing assistance, winter emergency shelter, and furniture storage assistance to homeless families; and accessibility modification assistance to low- to moderate-income renters. HOME Program activities will also continue the City's efforts to provide affordable housing opportunities for low- to moderate-income residents. In addition to CDBG- and HOME-funded activities, the One-Year Action Plan describes other affordable housing and community development activities to be undertaken by the City during this period, including the development and preservation of affordable housing.

Copies of the City's Draft FY 2016 - 2020 Consolidated Plan (accompanied by a Citizen Summary) and Draft FY 2016 Action Plan may be reviewed or picked up beginning Wednesday, April 1 at the Office of Housing, located at 421 King Street, Suite 200, Alexandria, VA from 8 a.m. to 5 p.m., Monday through Friday. These documents will also be available on the City's Website: alexandriava.gov/Housing and for review at the following City libraries:

BEATLEY CENTRAL LIBRARY: 5005 Duke Street, Alexandria BARRETT BRANCH LIBRARY: 717 Queen Street, Alexandria BURKE BRANCH LIBRARY: 4701 Seminary Road, Alexandria DUNCAN BRANCH LIBRARY: 2501 Commonwealth Avenue, Alexandria

The documents will be in a format accessible to persons with disabilities, upon request. Written comments may be sent or delivered to the Office of Housing or emailed to cindy.metcalf@alexandriava.gov. Comments will be accepted until 5 p.m., Friday, May 1. The City Council Approves the Draft Five-Year Consolidated Plan and One-Year Action Plan will then be submitted to HUD no later than Friday, May 15 in order for the City to receive FFY 2015 CDBG and HOME Program funds.

For further information or requests for reasonable accommodations, please call Eric Keeler or Lucinda Metcalf at the Office of Housing at 703.746.4990, or TTY 703.838.5056 for the hearing impaired.

TRUSTEE'S SALE

Trustee's Sale of valuable fee simple property improved by premises known as 1013 GILBERT ROAD, R 20851. By virtue of the power and authority contained in a Deed of Trust from CAROLINA AYALA AND ILDA A. MARCH 29, 2007, and recorded in Liber 34092 among the land records of the COUNTY OF MONTGOMERY, in the original principal amount of \$315,000.00. Upon default and request for sale, the undersigned trustees will offer for sale at public auction at the Courthouse for the COUNTY OF MONTGOMERY, at 50 Maryland Avenue, Rockville, Maryland, on April 15, 2015 at 12:00 PM, all that property described in said Deed of Trust including but not limited to:

**WHAT IS PROPOSED**

The City of Alexandria, in cooperation with WMATA, is proposing the construction of a new Metrorail station at Potomac Yard within the City of Alexandria. Construction would include a new Metrorail station, associated track improvements, and pedestrian bridges. The station would be located along the existing Metrorail Blue and Yellow Lines between the Ronald Reagan Washington National Airport Metrorail station and the Braddock Road Metrorail station. The project is proposed to improve local and regional transit accessibility to and from the Potomac Yard area adjacent to the U.S. Route 1 corridor for current and future residents, employees, and businesses.

**Project Alternatives**

The Draft EIS identifies and evaluates alternatives that meet the project's purpose and need. The Draft EIS includes a "No Build Alternative", which describes what would happen if no station was built. The No Build Alternative provides a baseline to compare impacts. The Draft EIS considers the following alternatives: a No Build Alternative, three Metrorail build alternatives (Build Alternatives A, B, and D), and a design option of Build Alternative B (B-CSX Design Option). The City of Alexandria will select a preferred alternative as part of its separate legislative process.

**No Build Alternative**

The No Build Alternative includes planned transportation projects expected to be finished by 2040, except the Potomac Yard Metrorail station. These No Build projects include completion of the Potomac Yard street network and multi-use trails, future pedestrian/bicycle bridge between Potomac Yard and Potomac Greens, and expansion of local bus services.

**Build Alternative A**

Build Alternative A is located along the existing Metrorail tracks between the CSX Transportation (CSXT) railroad tracks and the north end of the Potomac Greens neighborhood, generally within the "Metrorail Reservation" identified as part of the City of Alexandria's Potomac Yard/Potomac Greens Small Area Plan (1999).

The Build Alternative A station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative A would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

**Build Alternative B**

Build Alternative B is located between the George Washington Memorial Parkway and the CSXT railroad tracks north of the Potomac Greens neighborhood, and east of the existing Potomac Yard Shopping Center. Portions of Build Alternative B would be located within the Greens Scenic Area, a National Park Service (NPS)-administered easement located within the City's Potomac Greens Park.

The Build Alternative B station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative B would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

**B-CSX Design Option**

B-CSX Design Option is located east of the existing Potomac Yard movie theater on land currently occupied by the CSXT railroad tracks. This design option of Alternative B would require relocation of the CSXT tracks to the west, providing the room necessary for the station and realigned Metrorail track to avoid George Washington Memorial Parkway property and the Greens Scenic Area easement.

The B-CSX Design Option station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Under B-CSX Design Option, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

**Build Alternative D**

Build Alternative D is located west of the CSXT railroad tracks near the existing Potomac Yard Shopping Center. The alternative would require the construction of elevated tracks starting north of Four Mile Run, crossing over the CSXT tracks into Potomac Yard, and then crossing over the CSXT tracks again to reconnect to the existing Metrorail line behind Potomac Greens.

Build Alternative D would include the construction of an elevated station platform with a ground floor mezzanine entrance. Under Build Alternative D, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

**WMATA COMPACT REQUIREMENTS**

WMATA's Compact requires that the Board, in amending the mass transit plan, consider current and prospective conditions in the transit zone should the project be built. The transit zone includes the City of Alexandria, and considerations include, without limitation, land use, population, economic factors affecting development plans, existing and proposed transportation and transit facilities, any displacement of families or businesses, preservation of the beauty and dignity of the DC Metro Area; factors affecting environmental amenities and aesthetics, and financial resources. The mass transit plan encompasses, among other things, transit facilities to be provided by WMATA, including stations and parking facilities, and the character, nature, design, location and capital and operating costs thereof. The mass transit plan, in addition to designating the design and location of transit facilities, also provides for capital and operating expenses, as well as "various other factors and considerations, which, in the opinion of the Board, justify and require the projects therein proposed," all as more particularly set forth in WMATA's Compact.

The Federal Transit Administration (FTA) and the City of Alexandria, in cooperation with WMATA and the National Park Service (NPS), prepared a Draft Environmental Impact Statement (Draft EIS) in accordance with WMATA Compact policies and the National Environmental Policy Act (NEPA) and Section 106 of the National Historic Preservation Act. The Draft EIS and general plans for the project are available for public review at the locations identified in the reference materials section above.

**HOW TO REGISTER TO SPEAK AT THE PUBLIC HEARING**

All organizations or individuals desiring to be heard with respect to the proposal will be afforded the opportunity to present their views and make supporting statements and to offer alternative proposals. In order to establish a witness list, individuals and representatives of organizations who wish to be heard at the public hearing are requested to furnish in writing their name and organization affiliation, if any, via email to [speak@wmata.com](mailto:speak@wmata.com). The request may also be mailed to the Office of the Secretary, Washington Metropolitan Area Transit Authority, 600 Fifth Street, NW, Washington, DC 20001. Alternatively, you may fax this information to 202-962-1133. Please submit only one speaker's name per letter. Lists of individual speakers will not be accepted. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided. Public officials will be heard first and will be allowed five minutes each to make their presentations. All others will be allowed three minutes each. Relinquishing of time by one speaker to another will not be permitted.

**HOW TO SUBMIT WRITTEN STATEMENTS**

Written statements and exhibits must be received by 5 p.m. on Monday, May 18, 2015 by the Office of the Secretary and may be emailed to [comments@potomacyardmetro.com](mailto:comments@potomacyardmetro.com) or [writetimestimony@wmata.com](mailto:writetimestimony@wmata.com). They may also be mailed to one of the following addresses:

**TRUSTEE'S SALE**

Trustee's Sale of valuable fee simple property improved by premises known as 4 STATE COURT, #85, Gaithersburg, MD 20877. By virtue of the power and authority contained in a Deed of Trust from MICHAEL J. TURNER, dated March 26, 2004, and recorded in Liber 27017 at Page 775 among the land records of the COUNTY OF MONTGOMERY, in the original principal amount of \$164,350.00. Upon default and request for sale, the undersigned trustee will offer for sale at public auction at the Courthouse for the COUNTY OF MONTGOMERY, at 50 Maryland Avenue, Rockville, Maryland, on April 8, 2015 at 12:30 PM, all that property described in said Deed of Trust including but not limited to:

**BEING CONDOMINIUM UNIT 85, IN THE NEWPORT ESTATES, SECTION II CONDOMINIUM AS WELL AS AN UNDIVIDED INTEREST IN THE COMMON ELEMENTS THEREOF AS ESTABLISHED PURSUANT TO A CONDOMINIUM MASTER DEED FROM A.M. DEVELOPMENTS, INC. DATED DECEMBER 26, 1973, AND RECORDED AMONG THE LAND RECORDS OF MONTGOMERY COUNTY, MARYLAND, IN LIBER 4478 AT FOLIO 792 ET SEQ. AND PURSUANT TO THE PLATS REFERRED TO IN SAID CONDOMINIUM MASTER DEED AND RECORDED IN CONDOMINIUM PLAT BOOK 10 AT PLAT 1010, ET SEQ. AMONG THE AFORESAID LAND RECORDS, TOGETHER WITH THE IMPROVEMENTS THERETO AND RIGHTS AND APPURTENANCES THERETO BELONGING OR APPERTAINING AND PARTICULARLY THE RIGHTS IN COMMON WITH OTHERS IN THE COMMON ELEMENTS OF THE AFORESAID CONDOMINIUM AND ALL RIGHTS AND PRIVILEGES OF A CONDOMINIUM OWNER IN SAID CONDOMINIUM, SUBJECT TO THE OBLIGATIONS OF SUCH OWNERS, SUBJECT TO RIGHTS OF WAY, EASEMENTS AND RESTRICTIONS OF RECORD. THE IMPROVEMENTS THEREON BEING KNOWN AS NO. 4 STATE COURT.**

Said property is in fee simple and is improved by a dwelling and is sold in "as is condition" and subject to all superior covenants, conditions, liens, restrictions, easement, rights-of-way, as may affect same, if any.

TERMS OF SALE: A deposit of \$15,000 or 10% of the sale price, whichever is lower, cash or certified funds shall be required at the time of sale. The balance of the purchase price with interest at 7.375% per annum from the date of sale to the date of payment will be paid within TEN DAYS after the final ratification of the sale. Adjustments on all taxes, public charges and special or regular assessments will be made as of the date of sale and thereafter assumed by purchaser. If applicable, condominium and/or homeowners association dues and assessments that may become due after the time of sale will be the responsibility of the purchaser. Title examination, conveyancing, state revenue stamps, transfer taxes, title insurance, and all other costs incident to settlement are to be paid by the purchaser. Time is of the essence for the purchaser, otherwise the deposit will be forfeited and the property may be resold at risk and costs of the defaulting purchaser. If the sale is not ratified or if the Substitute Trustees are unable to convey marketable title in accord with these terms of sale, the purchaser's only remedy is the return of the deposit. Trustee's File No. 14-241939. LOAN TYPE= Conventional

Draft Environmental Impact Statement and Plans for the Proposed Potomac Yard Metrorail Station Alexandria, Virginia Docket R15-01

Purpose
Notice is hereby given that a public hearing will be held by the Washington Metropolitan Area Transit Authority on the Draft Environmental Impact Statement and plans for the proposed Potomac Yard Metrorail Station in Alexandria, Virginia as follows:

Hearing No. 604
Thursday April 30, 2015
Cora Kelly Recreation Center
25 West Reed Avenue
Alexandria, VA 22305
Closest Metrorail station: Braddock Road

Shuttle bus will depart Braddock Road at 5:00pm, 5:30pm, 6:00pm and 6:30pm; Return shuttle will depart the Cora Kelly Recreation Center at the conclusion of the hearing.

Hearing scheduled to begin at 7:00 p.m. Open house at 6:30 p.m.

Please note that this date is subject to the facility's cancellation policy.

The locations of all public hearings are wheelchair accessible. Any individual who requires special assistance such as a sign language interpreter or additional accommodation to participate in the public hearing, or who requires these materials in an alternate format, should contact Danise Peña at 202-962-2511 or TTY: 202-962-2033 as soon as possible in order for Metro to make necessary arrangements. For language assistance, such as an interpreter or information in another language, please call 202-962-2582 at least 48 hours prior to the public hearing date.

For more information please visit www.wmata.com/nclyard and www.wmata.com/hearings

PURPOSE OF THE PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Washington Metropolitan Area Transit Authority (WMATA) regarding the Draft Environmental Impact Statement (Draft EIS) and plans for the proposed Potomac Yard Metrorail Station in Alexandria, Virginia. At the hearing, WMATA will receive and consider public comments and suggestions about the proposal. The proposed alternatives may change as a result of this hearing.

REFERENCE MATERIAL AVAILABLE FOR INSPECTION

The Draft Environmental Impact Statement (Draft EIS) and general plans for the proposed Potomac Yard Metrorail Station are available online at www.potomacyardmetro.com and www.wmata.com/hearings and may be inspected during normal business hours at the following locations beginning Monday, March 30, 2015.

WMATA Office of the Secretary 600 Fifth Street, NW, Room 2D-209 Washington, DC 20001 202-962-2511 (Please call in advance to coordinate)

Alexandria Office of City Clerk 301 King Street, Room 2300 Alexandria, VA 22314 703-746-4550

James M. Duncan Branch Library 2501 Commonwealth Avenue Alexandria, VA 22301 703-746-1705

WHAT IS PROPOSED

The City of Alexandria, in cooperation with WMATA, is proposing the construction of a new Metrorail station at Potomac Yard within the City of Alexandria. Construction would include a new Metrorail station, associated track improvements, and pedestrian bridges. The station would be located along the existing Metrorail Blue and Yellow Lines between the Ronald Reagan Washington National Airport Metrorail station and the Braddock Road Metrorail station. The project is proposed to improve local and regional transit accessibility to and from the Potomac Yard area adjacent to the U.S. Route 1 corridor for current and future residents, employees, and businesses.

Project Alternatives

The Draft EIS identifies and evaluates alternatives that meet the project's purpose and need. The Draft EIS includes a "No Build Alternative," which describes what would happen if no station was built. The No Build Alternative provides a baseline to compare impacts. The Draft EIS considers the following alternatives: a No Build Alternative, three Metrorail build alternatives (Build Alternatives A, B, and D), and a design option of Build Alternative B (B-CSX Design Option). The City of Alexandria will select a preferred alternative as part of its separate legislative process.

No Build Alternative

The No Build Alternative includes planned transportation projects expected to be finished by 2040, except the Potomac Yard Metrorail station. These No Build projects include completion of the Potomac Yard street network and multi-use trails; future pedestrian/bicycle bridge between Potomac Yard and Potomac Greens; and expansion of local bus services.

Build Alternative A

Build Alternative A is located along the existing Metrorail tracks between the CSX Transportation (CSXT) railroad tracks and the north end of the Potomac Greens neighborhood, generally within the "Metrorail Reservation" identified as part of the City of Alexandria's Potomac Yard/Potomac Greens Small Area Plan (1999).

The Build Alternative A station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative A would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

Build Alternative B

Build Alternative B is located between the George Washington Memorial Parkway and the CSXT railroad tracks north of the Potomac Greens neighborhood, and east of the existing Potomac Yard Shopping Center. Portions of Build Alternative B would be located within the Greens Scenic Area, a National Park Service (NPS)-administered easement located within the City's Potomac Greens Park.

The Build Alternative B station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative B would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

B-CSX Design Option

B-CSX Design Option is located east of the existing Potomac Yard movie theater on land currently occupied by the CSXT railroad tracks. This design option of Alternative B would require relocation of the CSXT tracks to the west, providing the room necessary for the station and realigned Metrorail track to avoid George Washington Memorial Parkway property and the Greens Scenic Area easement.

The B-CSX Design Option station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

Build Alternative D

Build Alternative D is located west of the CSXT railroad tracks near the existing Potomac Yard Shopping Center. The alternative would require the construction of elevated tracks starting north of Four Mile Run, crossing over the CSXT tracks into Potomac Yard, and then crossing over the CSXT tracks again to reconnect to the existing Metrorail line behind Potomac Greens.

Build Alternative D would include the construction of an elevated station platform with a ground floor mezzanine entrance. Under Build Alternative D, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

WMATA COMPACT REQUIREMENTS

WMATA's Compact requires that the Board, in amending the mass transit plan, consider current and prospective conditions in the transit zone should the project be built. The transit zone includes the City of Alexandria, and considerations include, without limitation, land use, population, economic factors affecting development plans, existing and proposed transportation and transit facilities, any displacement of families or businesses, preservation of the beauty and dignity of the DC Metro Area; factors affecting environmental amenities and aesthetics, and financial resources. The mass transit plan encompasses, among other things, transit facilities to be provided by WMATA, including stations and parking facilities, and the character, nature, design, location and capital and operating costs thereof. The mass transit plan, in addition to designating the design and location of transit facilities, also provides for capital and operating expenses, as well as "various other factors and considerations, which, in the opinion of the Board, justify and require the projects therein proposed," all as more particularly set forth in WMATA's Compact.

Bids & Proposals

NO EFFECT NOTICE INVITATION FOR BID # 150695/CABW/2015

The Chief of the Brazilian Aeronautical Commission in Washington ("BACW"), located at 1701 22nd Street, N.W. - Washington, D.C. 20008 -USA, hereby notifies, to whom it may concern, that the BACW shall carry out a Bidding Process, to be awarded based on Lowest Global Price, for the contracting of LIFE INSURANCE POLICY, DISMEMBERMENT INSURANCE, SHORT TERM DISABILITY INSURANCE, LONG TERM DISABILITY INSURANCE. ## DRAFT ENVIRONMENTAL IMPACT STATEMENT AND PLANS FOR

Draft Environmental Impact Statement and Plans for the Proposed Potomac Yard Metrorail Station  
Alexandria, Virginia  
Docket R15-01

### Purpose

Notice is hereby given that a public hearing will be held by the Washington Metropolitan Area Transit Authority on the Draft Environmental Impact Statement and plans for the proposed Potomac Yard Metrorail Station in Alexandria, Virginia as follows:

Hearing No. 604  
Thursday, April 30, 2015  
Cora Kelly Recreation Center  
25 West Reed Avenue  
Alexandria, VA 22305  
Closest Metrorail station: Braddock Road

Shuttle bus will depart Braddock Road at 5:00pm, 5:30pm, 6:00pm and 6:30pm;  
Return shuttle will depart the Cora Kelly Recreation Center at the conclusion of the hearing.

Hearing scheduled to begin at 7:00 p.m.  
Open house at 6:30 p.m.

Please note that this date is subject to the facility's cancellation policy.

The locations of all public hearings are wheelchair accessible. Any individual who requires special assistance such as a sign language interpreter or additional accommodation to participate in the public hearing, or who requires these materials in an alternate format, should contact Danise Peña at 202-962-2511 or TTY: 202-962-2033 as soon as possible in order for Metro to make necessary arrangements. For language assistance, such as an interpreter or information in another language, please call 202-962-2582 at least 48 hours prior to the public hearing date.

For more information please visit  
[www.wmata.com/nclyard](http://www.wmata.com/nclyard) and [www.wmata.com/hearings](http://www.wmata.com/hearings)

### PURPOSE OF THE PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Washington Metropolitan Area Transit Authority (WMATA) regarding the Draft Environmental Impact Statement (Draft EIS) and plans for the proposed Potomac Yard Metrorail Station in Alexandria, Virginia. At the hearing, WMATA will receive and consider public comments and suggestions about the proposal. The proposed alternatives may change as a result of this hearing.

### REFERENCE MATERIAL AVAILABLE FOR INSPECTION

The Draft Environmental Impact Statement (Draft EIS) and general plans for the proposed Potomac Yard Metrorail Station are available online at [www.potmacyardmetro.com](http://www.potmacyardmetro.com) and [www.wmata.com/hearings](http://www.wmata.com/hearings) and may be inspected during normal business hours at the following locations beginning Monday, March 30, 2015:

### WHAT IS PROPOSED

The City of Alexandria, in cooperation with WMATA, is proposing the construction of a new Metrorail station at Potomac Yard within the City of Alexandria. Construction would include a new Metrorail station, associated track improvements, and pedestrian bridges. The station would be located along the existing Metrorail Blue and Yellow Lines between the Ronald Reagan Washington National Airport Metrorail station and the Braddock Road Metrorail station. The project is proposed to improve local and regional transit accessibility to and from the Potomac Yard area adjacent to the U.S. Route 1 corridor for current and future residents, employees, and businesses.

#### Project Alternatives

The Draft EIS identifies and evaluates alternatives that meet the project's purpose and need. The Draft EIS includes a "No Build Alternative", which describes what would happen if no station was built. The No Build Alternative provides a baseline to compare impacts. The Draft EIS considers the following alternatives: a No Build Alternative, three Metrorail build alternatives (Build Alternatives A, B, and D), and a design option of Build Alternative B (B-CSX Design Option). The City of Alexandria will select a preferred alternative as part of its separate legislative process.

#### No Build Alternative

The No Build Alternative includes planned transportation projects expected to be finished by 2040, except the Potomac Yard Metrorail station. These No Build projects include completion of the Potomac Yard street network and multi-use trails; future pedestrian/bicycle bridge between Potomac Yard and Potomac Greens; and expansion of local bus services.

#### Build Alternative A

Build Alternative A is located along the existing Metrorail tracks between the CSX Transportation (CSXT) railroad tracks and the north end of the Potomac Greens neighborhood, generally within the "Metrorail Reservation" identified as part of the City of Alexandria's Potomac Yard/Potomac Greens Small Area Plan (1999).

The Build Alternative A station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative A would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

#### Build Alternative B

Build Alternative B is located between the George Washington Memorial Parkway and the CSXT railroad tracks north of the Potomac Greens neighborhood, and east of the existing Potomac Yard Shopping Center. Portions of Build Alternative B would be located within the Greens Scenic Area, a National Park Service (NPS) -administered easement located within the City's Potomac Greens Park.

The Build Alternative B station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Build Alternative B would provide 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens via one of its two pedestrian bridges.

#### B-CSX Design Option

B-CSX Design Option is located east of the existing Potomac Yard movie theater on land currently occupied by the CSXT railroad tracks. This design option of Alternative B would require relocation of the CSXT tracks to the west, providing the room necessary for the station and realigned Metrorail track to avoid George Washington Memorial Parkway property and the Greens Scenic Area easement.

The B-CSX Design Option station platform would be constructed at the same level as the existing Metrorail tracks, with elevated entrance mezzanines providing two pedestrian bridges from the station over the CSXT railroad tracks to Potomac Yard. Under B-CSX Design Option, a separate pedestrian/bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

#### Build Alternative D

Build Alternative D is located west of the CSXT railroad tracks near the existing Potomac Yard Shopping Center. The alternative would require the construction of elevated tracks starting north of Four Mile Run,

crossing over the CSXT tracks into Potomac Yard, and then crossing over the CSXT tracks again to reconnect to the existing Metrorail line behind Potomac Greens.

Build Alternative D would include the construction of an elevated station platform with a ground floor mezzanine entrance. Under Build Alternative D, a separate pedestrian/ bicycle bridge providing 24-hour pedestrian/bicycle access between Potomac Yard and Potomac Greens would be constructed as part of a separate City of Alexandria project.

#### WMATA COMPACT REQUIREMENTS

WMATA's Compact requires that the Board, in amending the mass transit plan, consider current and prospective conditions in the transit zone should the project be built. The transit zone includes the City of Alexandria, and considerations include, without limitation, land use, population, economic factors affecting development plans, existing and proposed transportation and transit facilities, any dislocation of families or businesses; preservation of the beauty and dignity of the DC Metro Area; factors affecting environmental amenities and aesthetics, and financial resources. The mass transit plan encompasses, among other things, transit facilities to be provided by WMATA, including stations and parking facilities, and the character, nature, design, location and capital and operating costs thereof. The mass transit plan, in addition to designating the design and location of transit facilities, also provides for capital and operating expenses, as well as "various other factors and considerations, which, in the opinion of the Board, justify and require the projects therein proposed," all as more particularly set forth in WMATA's Compact.

The Federal Transit Administration (FTA) and the City of Alexandria, in cooperation with WMATA and the National Park Service (NPS), prepared a Draft Environmental Impact Statement (Draft EIS) in accordance with WMATA Compact policies and the National Environmental Policy Act (NEPA) and Section 106 of the National Historic Preservation Act. The Draft EIS and general plans for the project are available for public review at the locations identified in the reference materials section above.

#### HOW TO REGISTER TO SPEAK AT THE PUBLIC HEARING

All organizations or individuals desiring to be heard with respect to the proposal will be afforded the opportunity to present their views and make supporting statements and to offer alternative proposals. In order to establish a witness list, individuals and representatives of organizations who wish to be heard at the public hearing are requested to furnish in writing their name and organization affiliation, if any, via email to [speak@wmata.com](mailto:speak@wmata.com). The request may also be mailed to the Office of the Secretary, Washington Metropolitan Area Transit Authority, 600 Fifth Street, NW, Washington, DC 20001. Alternatively, you may fax this information to 202-962-1133. Please submit only one speaker's name per letter. Lists of individual speakers will not be accepted. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided. Public officials will be heard first and will be allowed five minutes each to make their presentations. All others will be allowed three minutes each. Relinquishing of time by one speaker to another will not be permitted.

#### HOW TO SUBMIT WRITTEN STATEMENTS

Written statements and exhibits must be received by 5 p.m. on Monday, May 18, 2015 by the Office of the Secretary and may be emailed to [comments@potomacyardmetro.com](mailto:comments@potomacyardmetro.com) or [writtentestimony@wmata.com](mailto:writtentestimony@wmata.com). They may also be mailed to one of the following addresses:

Alternatively, statements may be faxed to 202-962-1133. Please reference the Hearing or Docket Number in your submission. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided.

Appeared in: *Washington Post* on 03/30/2015 and 04/06/2015
