OVERVIEW

1. Application of the Tariff

The fares stated herein are applicable to the transportation of passengers on the Metrorail and Metrobus systems of the Washington Metropolitan Area Transit Authority from one point to another within the Washington Metropolitan Area Transit Zone which generally covers territories within the District of Columbia, the cities of Alexandria, Falls Church, Fairfax, Manassas, and Manassas Park and the counties of Arlington, Fairfax, Loudoun, and part of Prince William, and the political subdivisions of the Commonwealth of Virginia located within those counties, and the counties of Montgomery, Prince George's, and parts of Charles and Anne Arundel and political subdivisions of the State of Maryland located in said counties. For information regarding paratransit service, including fares for paratransit service, in the above locations, please refer to the Customer Guide to MetroAccess available online at wmata.com.

2. Fare and Service Policies

In compliance with FTA Title VI civil rights requirements, Metro has developed written procedures to evaluate, prior to implementation, Metro's major service changes as well as permanent fare changes to determine whether such proposed changes will have a disparate impact based on race, color, or national origin of transit riders. Metro's procedures seek to ensure that the impacts of service and fare changes are distributed equitably between the minority, low-income, and non-low income populations. In addition, Metro provides limited English proficient communities with equal opportunities to participate in public input that precedes a decision to change service and fares.

The General Manager and Chief Executive Officer (GM/CEO) is subject to the policy direction of the Board of Directors.¹ The GM/CEO, or his designee, is authorized to adopt rules and regulations for the safe, convenient and orderly use of the transit facilities owned, controlled or operated by the Metro, including the payment and the manner of the payment of fares or charges thereof, the protection of the transit facilities, the control of traffic and parking upon the transit facilities, and the safety and protection of the riding public.²

3. Schedule Changes

Metro reserves the right to change schedules of transit service without notice to the public, except as set forth in the Metro Compact and Board Policy Resolutions.

4. Emergency Fare Reduction

The GM/CEO, or his designee, is authorized to reduce or waive any otherwise applicable fare or fee when faced with emergency conditions, for a period not to exceed 48 hours.³

The GM/CEO will notify the Board of Directors of any such decision as soon as practicable after the event. No other agent or employee shall have the authority to change or deviate from the fare or charges contained herein.

5. Regional Events

GM/CEO is authorized to determine when a Regional Event requires providing peak level Metrorail service and whether to impose Regional Event parking rates to address increased ridership and non-rider demand for parking at Metrorail stations. When a Regional Event is determined, peak fares will be charged.⁴ The application of peak or off-peak fare is applied according to the faregate’s internal clock at the time of entry to the Metrorail System. When Regional Event parking is in effect, the applicable rate will be applied according to the method of payment used upon exiting the parking faregates.

6. WMATA Fare Passes

All Metrorail and Metrobus passes are electronically loaded onto SmarTrip® cards. While the services and fares applicable to the pass vary according to the fare product loaded onto the SmarTrip® card, the card visually appears to be the same card for all fare passes. Virtual cards can also be created by converting plastic cards to the phone. Through the Mobile App, passes and stored value can be loaded onto phones to create a SmarTrip® virtual card. iPhones and Android applications work with the fare equipment. Once successfully added to an iPhone, the card can also be used between the iPhone and Apple Watch too. The apps are available on the “mobile wallet” or the SmarTrip app. The fare media is available on Apple Wallet or Google Pay.

A fare pass is good for consecutive days beginning on the first day used in the transit system only or for the month of issue. All WMATA fare passes are faregate activated.

The following chart provides a list of WMATA fare products accepted on Metrorail and Metrobus:

METRORAIL

1. Calculation of Metrorail Fares

Metrorail fares are calculated based on (1) the time of day and day of the week that the trip is taken (categorized as either peak or off-peak) and (2) the distance traveled between the origin and destination stations. The distance component of the fare calculation is based on a “composite mile,” which is calculated as the average of (a) the distance traveled along the rail system between the passenger’s origin and destination stations and (b) the distance traveled in a straight line or “as the crow flies” between the two stations. All Metrorail fares except Senior & Disabled fares are rounded to the nearest \$0.05, while Senior & Disabled fares are rounded down to the next lowest \$0.05. In addition to Peak and Off-Peak fares, the rate for trips taken from 9:30pm to close on Monday through Friday, all day Saturday and Sunday is \$2.00. Off-Peak fares are in effect on national holiday (subject to the flat fare rates and times).

2. Weekday Fares (Monday system open thru Friday system close)

- Open-9:30 am & 3:00 pm-7:00 pm pay PEAK FARE.
- 9:30 am-3:00 pm & 7:00 pm -9:30 pm pay OFF-PEAK FARE.
- 9:30 pm-close \$2 per trip for Full Fare customers; \$1.00 per trip for Senior and Disabled customers.

Peak fares are charged on Metrorail during weekday commuter rush hours from opening to 9:30 a.m. and from 3:00 p.m. to 7:00 p.m. The Board further authorized charging peak fares on Metrorail any time that peak level service is provided, regardless of the time of day, to further address safety concerns and increased ridership demands⁶. Peak fares may be charged for any day including weekends or for events that are declared to be Regional Events. Off-peak fares are in effect at specified times.⁷ The off-peak fare structure is designed to be a 25% discount off the peak fares.

3. Metrorail Weekday Late Night \$2 Flat Rate – 9:30pm to Close

Metrorail Fare Structure	Regular Fares	All Senior & Disabled Fares are ½ the Applicable Rate
Daily Flat Fare	\$2.00	\$1.00

4. Metrorail Weekend Fares – Saturday Open to Sunday Close

Metrorail Fare Structure	Regular Fares	All Senior & Disabled Fares are ½ the Applicable Rate
Weekend Flat Fare	\$2.00	\$1.00

5. Metrorail Grace Period

For any exit occurring within 15 minutes after entrance and at the same Metrorail station, any fare paid upon such exit will be refunded automatically to the card in the same manner as charged.⁸ Passengers using Metrorail passes do not pay fares on an individual trip basis and are, therefore, ineligible for the grace period credit.

6. Metrorail Fares

Unless a passenger is under age five or the passenger holds valid fare products for a special rate of fare, the following rates of fare shall apply to Metrorail service except during weekend and weekday late night flat fare periods:⁹

Metrorail Fare Structure (Effective July 1, 2017)	Regular Fares		All Senior & Disabled Fares are ½ Peak Fare
	Peak	Off-Peak	
First 3 composite miles	\$2.25	\$2.00	\$1.10-\$3.00
Each additional composite mile more than 3 and less than or equal to 6	\$0.326	\$0.244	
Each additional composite mile greater than 6	\$0.288	\$0.216	
Maximum peak fare (Exclusive of Surcharge and Differentials)	\$6.00	\$3.85	\$3.00

7. Metrorail Fare Products

The SmarTrip® physical card, virtual card or an emergency trip ticket are accepted as Metrorail payment. Unless you have a valid, unexpired pass, passengers must have a minimum of \$1.50 in value on their SmarTrip® card to enter the Metrorail system. Senior and disabled patrons must have a minimum of \$0.60 in value on their full-fare SmarTrip® card to enter the Metrorail system. Passengers may not exit the Metrorail system with a negative balance on their SmarTrip® cards. Such passengers must add value to their

fare products using the exit fare machines before exit will be permitted through the faregates.

All Metrorail fare products provide unlimited regular Metrobus rides at no extra cost.¹⁰ The Metro Monthly Unlimited Passes are available at multiple price points calculated by the mileage of a routine pre-determined trip at 32 times the corresponding fare for such routine trip and provides unlimited rides on Metrorail at that fare or lower for the month, depending on whether the actual trip taken is shorter or longer than the routine trip. Longer trips may result in additional fare charges.¹¹ For the completion of any trip with a higher corresponding fare, the difference in fare must be paid.

Emergency trip tickets can be acquired only from the onsite Station Manager. Emergency trip tickets are provided at no cost to the passenger when there is a failure of the WMATA fare system at no fault of the passenger. The emergency trip ticket is valid for one ride only and should be surrendered to a station manager at the end of the trip.

The following chart provides a list of Non-WMATA fare products accepted on Metrorail:

Other Accepted Metrorail Fare Products	WMATA-portion of Cost
Monthly TransitLink on MARC and VRE	\$114.00
Monthly TransitLink on MTA	\$176.00

IV.

TRANSFERS

1. Transfer Period

Passengers transferring among different modes of services within the Metro system, and between Metrobus and other bus operators in the region, may be eligible for a transfer discount. The valid transfer period is 120 minutes, beginning at the time of initial boarding¹². During the transfer period, the SmarTrip® system will look first for a bus transfer. Therefore a bus-to-rail-to-bus trip will be calculated using the bus fare transfer discount, except when passenger is using a Pass, including but not limited to the 7-day Unlimited Bus or the 7-day Unlimited Combo Rail & Bus passes. There is no fare charged when transferring between different lines of the Metrorail system, including Farragut Crossing^{***} and during bus bridge service to shuttle between Metrorail stations.

2. SmarTrip® Card Required

To receive a bus-to-rail or rail-to-bus transfer discount, or to transfer free of charge from bus-to-bus, passengers must use a SmarTrip® card. With a SmarTrip® card, transfer rates also apply to transfers to an upgraded or premium bus service from a lower cost service. Pass products are not subject to transfer fees.

3. Bus-to-Bus Transfer Rates

The transfer rate for bus-to-bus transfers is calculated by subtracting the base fare of the originating bus service from the value of the fare for the bus service to which the rider transfers. These transfer rates are summarized in the chart below. A rate of \$0.00 indicates a free bus-to-bus transfer.

V. METRO RAIL PARKING FACILITIES

1. Parking Rate Collection Period

The period during which parking rates apply varies according to Metrorail riders and Non-Riders. The GM/CEO is authorized to establish parking rate collection hours when Metrorail is open up to one hour after station closure and during Regional Events that occur on weekdays. The parking rate collection period and the applicable rate for a Metrorail rider applies when the SmarTrip® card used for Metrorail fare payment is also used to pay parking rates within two hours of paying for Metrorail except for SmarTrip® cards with U-Pass® and DC Kids Ride Free fare products.¹⁴ Any other payment method will result in the application of the Non-Rider parking rate. The parking rate collection periods for Metrorail riders is as follows:

Monday-Thursday 7:30 a.m. -- Garage closure (up to 1 hour after station closure)
Friday 7:30 a.m. -- Garage closure (up to 1 hour after station closure)

Regional Events posted at parking entrance

The GM/CEO is authorized to establish parking rate collection hours for Non-Riders within time periods when Metrorail is open up to one hour after station closure seven days a week, including federal holidays. Parking rate collection periods for Non-Riders is as follows:

Monday-Thursday 7:30 a.m. -- Garage closure (up to 1 hour after station closure)
Friday 7:30 a.m. -- Garage closure (up to 1 hour after station closure)

For Multi-Day Parking, parking rates are collected 24-hour per day, seven (7) days a week, including holidays.¹⁵

2. Parking Payment Methods

Parking gates require the use of a SmarTrip® card or credit card for payment of parking rates upon exit of the Park & Ride facility. Cash is not accepted at parking gates. See signage in ungated parking areas for the applicable payment options, including but not limited to cash, online and mobile payment park, multi-space parking pay stations, credit card and SmartTrip® methods.

3. Hourly Parking

The metered rate for hourly parking at Metrorail stations is \$0.25 per 15-minute increment or mobile payment is \$1.00 for 60 minutes of parking. Parking meters accept quarters or dollar coins only. Change machines are not available at any Metro station or parking

facility. ParkMobile will add an additional processing fee that is paid directly to ParkMobile. The GM/CEO is authorized to charge the applicable Daily Rate in lieu of an hourly rate for parking spaces in Kiss & Ride parking areas. See area signage for additional payment options, including but not limited to pay stations, online and mobile payment methods.

4. Reserved Parking

Reserved parking is available for a limited number of spaces at Park & Ride facilities at a cost of \$45.00-\$65.00/month depending on the location. The parking rate for Reserved Parking is paid in advance and provides a guaranteed parking space from 2:00 a.m. until 10:00 a.m., Monday through Friday.¹⁶ The applicable daily rate for parking is additional and must be paid upon exit.

To apply for a new reserved parking permit, visit wmata.com and identify the rail station of your choice to set up a reserved parking account. All reserved parking customers must have a credit card on file to participate in the program.

5. Multiday Parking

The GM/CEO is authorized to establish Multi-Day Parking spaces (i.e. overnight or long-term parking) within the Parking System to accommodate access to other transportation hubs such as airports, train stations or national bus routes. Multi-day parking is available at four stations: Greenbelt, Huntington, Franconia-Springfield, and Wiehle-Reston for up to 10 consecutive days. Availability is on a first-come, first-served basis in spaces marked with signs that read “multi-day parking.” The Multi-Day Parking rate on the first day will equal the highest applicable rate (e.g., Non-Rider Daily Rate, if present) at the facility, plus the lowest applicable Daily Rate (e.g., Daily Rate for Transit Riders) for each subsequent day.

6. Non-Rider Parking

A Non-rider parking fee¹⁷ ranging from \$7.50 up to \$15.00¹⁸ per day is charged to persons parking in MetroPark & Ride facilities when parking rates are not paid with the same SmarTrip card used within two (2) hours of riding the Metrorail. Implementation of the Non-rider fee is determined by the WMATA Board of Directors on a station-by-station basis.¹⁹ The Board has waived the application of the Non-Rider fee for MARC and VRE riders parking at Park & Ride facilities under certain terms and conditions.²⁰ See the following Metrorail Park & Ride Facility table for rates in effect at a specific parking facility.

7. Special Event Parking

The GM/CEO has the authority to determine that an event is a Special Event. An additional fee for Non-riders of up to \$25.00 during Special Event parking may be assessed²¹. Special Event parking rates are charged system-wide only to Non-riders and is payable upon exit from the parking facility after the conclusion of the special event. Refer to onsite signage for information on dates and times during which Special Event parking rates are collected.

8. Parking Rates at Park & Ride Facilities

In addition to the WMATA-Board approved base parking rate, WMATA collects parking surcharges on behalf of certain local jurisdictions²². The following chart reflects the daily parking rates, the Non-Rider rate and the jurisdictional surcharge, if any Parking rates may change due to a Regional Event or Special Event; the applicable parking rate will be posted at the entrance to the Park & Ride facility.

Violation of any Metro parking sign, traffic sign, and/or regulation shall subject the offender to ticketing, prosecution, and/or towing, in accordance with the laws and/or ordinances of the jurisdiction within which the violation occurred. Violations may be charged by Metro Transit Police or by the authorized representatives of the jurisdiction where the parking facility is located.

VI.

METRO BICYCLE PARKING

1. Bicycle Racks

Bicycles must be removed from Metro bicycle racks within one hour of station closing. Bicycles that are locked to other objects around Metro stations shall be removed without notification.

2. Bicycle Lockers

Bicycle lockers at Metrorail stations hold one bicycle and bicycle gear and each locker has a unique lock and key. The space inside is approximately: 4 feet high by 6 feet 5 inches deep by 3 feet wide at the door and narrows toward the back of the locker. Most standard bicycles will fit inside. Longer bicycles such as tandem bikes and recumbent bikes may not fit into the lockers. Metro has a limited availability of special sized lockers; see the station manager for more information on availability. Smart self-locking bike lockers are also available at some Metrorail parking facilities. A mobile phone App or a SmarTrip card that must be registered online at <https://www.wmata.com/service/bikes/bike-and-ride.cfm> is required to use Metro Smart Bike Lockers.

Bicycle locker rental is available on an hourly, daily, weekly, and monthly basis and rates may vary by station. Payment is accepted with SmarTrip® cards and most major credit cards.

3. Bike & Ride Facilities

Bike and Ride facilities provide secured, shared bicycle storage rooms with numerous bicycle racks for free bicycle parking and storage. The Bike and Ride facilities are located on ground levels at Metrorail stations or on the first level of parking garages. A SmarTrip card must be registered online at wmata.com to use Metro Bike & Ride facilities. Registration provides access to all Metro Bike & Ride facilities after the receipt of an email confirmation which generally takes 24-48 hours. After receiving confirmation, simply tap the SmarTrip® card to enter any Metro Bike & Ride facility. Currently, facilities are located at College Park-U of Md, Vienna and East Falls Church Metrorail stations. Metro Bike & Ride facilities are planned at more stations.

Patrons also are encouraged to register bicycles with Metro Transit Police (MTPD) and to use a bike lock to further secure bicycles parked in Bike & Ride Facilities. MTPD can assist in the identification and recovery of lost or stolen bicycles that have been registered. Free and easy registration can be completed online at wmata.com.

VII. SPECIAL FARES

1. Promotional & Demonstration Fares

The WMATA Board may approve the implementation of promotional and demonstration fares. These fares can be priced from free to an amount less than the regular fare established in the WMATA Tariff.³³ For a list of short-term promotional and demonstration fares, if any, that are currently in effect for up to six (6) months unless the duration is extended by the FTA, see the Appendix Promotional & Demonstration Fare Programs.

The WMATA Board has authorized reduced fare service on certain bus lines. The cost for this service is absorbed as subsidy by its regional or non-regional designation or through a Fare Buy Down Agreement with a third party to reduce or offset the fare paid by a group of passengers designated in the Fare Buy Down Agreement.³⁴ The applicability of transfers to other rail or bus service is established as part of the authorizing action.

2. Current Special Fares and Fare Buy Downs and Group Discounts

Current special fares including paratransit, fare buy downs and group discount programs are as follows:

2.1 Paratransit Service

Paratransit fares are calculated at twice the fastest comparable fixed-route fare rate up to a maximum fare of \$6.50. When traveling via Metrorail or Metrobus, MetroAccess customers certified by Metro as 'conditionally eligible' may ride Metrorail and Metrobus at no charge. Personal Care Assistants will pay the same fare that is charged to the customer they accompany.³⁵ For additional information on paratransit eligibility and fares, please refer to the Customer Guide to MetroAccess available online at wmata.com.
