

## BUS OPERATOR TEST RESULTS

Welcome to the Bus Operator Test Result Page. The following table contains tests results from the test date of 1/9/12 & 1/10/12. Find your ID Number (last 4 digits of social security number) in the first column of the table below. Your test scores are contained in the row across. You must score a minimum of 70% on both the reading and the customer service and 50% and above on behavioral assessment test to be successful. The final column tells you whether or not you were successful. The results are listed below.

**An Interview Date and Time** means you scored successfully on all tests; you are being invited to interview. On this date and time, please report to the same location as the testing session and bring with you an original high school diploma or official transcript. You can obtain an official transcript from the school district you attended. It must remain in the sealed envelope. You must also bring your driver's license and social security card. If you are successful on interview you will proceed to the next step.

**Interview – TBD** means that you are either a current employee or you have worked for WMATA in the past. Additional information is required in order to proceed with your application.

**No Interview** means that you were not successful on one or more of the assessments. You must wait 90 days from your test date to reapply for a Bus Operator position.

**Ineligible** means that you did not meet the minimum qualifications specified on the Job Description for the Bus Operator position.

**Ineligible – Tested within 90 days** means that you have taken the Bus Operator test within the past 90 days. As a result, your test scores for this session are void. You must wait 90 days from your original test date to reapply for a Bus Operator position.
