**METROACCESS SUBCOMMITTEE EMPLOYEE RECOGNITION:
Meeting Date: MAY 20, 2013**

**Michael Wilson Recognition Award Recipient
Mr. Moustapha Djama – General Manager
MV Transportation – Chantilly and Springfield, VA Division**

Mr. Moustapha Djama began his career with MV Transportation and MetroAccess in 2006 as an operator. Because of Mr. Djama's work ethic and dedication to MetroAccess he was promoted on many occasions. He has held jobs as Dispatcher, Classroom Trainer, Safety Manager, Operation Manager and for the past 2 years General Manager of the Chantilly and Springfield MV locations. Mr. Djama has managed a workforce of over 100 operators, 20 managers, supervisors and maintenance personnel. During his tenure, Mr. Djama has demonstrated excellent customer service. Mr. Djama is a hands on manager and has developed excellent working relationships with his staff and operators who serve MetroAccess. Beyond Mr. Djama's focus on customer service and on time performance, his division also reflects an outstanding safety record. His division has regularly had the lowest accident frequency and injury rates in the MetroAccess system. Mr. Djama's focus on safety can be recognized in the division by viewing the safety posters, safety boards and safety DVD that regularly plays during the day. His operators and staff feed off of his positive energy and the strong safety culture and awareness at the locations are no surprise. Mr. Djama can regularly be seen having a safety blitz in the mornings with his team and welcoming them back after a safe day in the field. He is truly one of a kind and we are happy to acknowledge him with this award.
