The Chair is first among equals and is dedicated to facilitating the work of the Board, encouraging the creation of common ground and consensus that moves the Board's work forward in a manner that promotes and enhances WMATA's overall mission. The Chair is accountable to the Board, and:

Article IV BOARD-CEO INTER-RELATIONSHIP

The Board and General Manager and Chief Executive Officer (CEO) are guided by mutual respect and confidence in each other's role. The Board has confidence that the CEO shall build and manage a high-performing organization. The CEO has confidence that the Board shall focus its efforts and attention on policy matters. The Board is primarily responsible for policy, financial direction and WMATA's relationships with its customers, jurisdictional partners and signatories. No Board Member individually shall direct or supervise the CEO or any WMATA employee or contractor. The CEO is primarily responsible and delegated the authority for the overall administration and operations of WMATA, subject to policy direction and oversight from the Board, in order to achieve the Authority's mission to operate a safe, reliable and effective transit system that enhances mobility, improves the quality of life, and stimulates economic development in the Washington metropolitan area.

Article V BOARD COMMUNICATION WITH CEO AND OTHER OFFICERS

All requests to staff by Board Members are directed to the General Manager and Chief Executive Officer (CEO), General Counsel, Inspector General or Board Secretary. Copies of requests shall be provided to the Board Secretary who shall inform all Board Members of the requests. All responses to Board Member requests are distributed to all Board Members, as are pertinent inquiries from jurisdictions and the corresponding responses.

Any request for a study, which contemplates a change in the Adopted Regional System or other Board-approved plan or which affects more than one signatory, is referred to the Board for discussion and appropriate action before any staff resources are authorized by the CEO.

Article VI

JURISDICTIONAL COORDINATING COMMITTEE

The Jurisdictional Coordinating Committee (JCC) was established by the Board to facilitate the exchange of information and viewpoints between jurisdictional and WMATA staff on all substantive issues coming before the Board, and to improve the quality of information for Board decisions. Issues will be presented to the JCC sufficiently prior to any required Board action to ensure time for staff review, analysis and discussion. The agenda for meetings is established by the WMATA staff in coordination with the annually elected Chair of the JCC. JCC meetings are open to participating jurisdictional and WMATA staff and invitees. Board Members are provided copies of the agenda and meeting summaries.

Article VII

COMMUNICATION WITH PUBLIC

The Board is committed to the broadest possible communication with customers, jurisdictional partners, signatories, the federal government, stakeholders, funding partners, transportation agencies, Board-established advisory bodies, other transportation service providers, and oversight agencies including the Tri-State Oversight Committee, and will provide regular opportunities to receive and respond to comments. Board and Committee meetings (other than executive sessions) will be publicly broadcast to the extent technologically feasible.

Article VIII

BOARD MEETINGS

A. Schedule

The Board normally meets on the fourth Thursday of each month at a time specified by the Chair.

B. Quorum

A quorum requires the presence of four voting Board Members, including one from each signatory. In the absence of a principal Board Member, the alternate for that Member shall be considered to be a voting Member except that either alternate from the District of Columbia is considered to be a voting Member if either Principal Director from the District of Columbia is absent.

C. Special Meetings

The Board may vote to hold, or the Board Chair may call, a special meeting of the Board. Except in emergencies, 48 hours advance notification is required to hold a special meeting.

D. Public Notice

Notifications for the public concerning Board and Board Committee Meetings shall be posted on the WMATA Internet site ("WMATA website").

E. Public Comment

The Board shall provide an opportunity for members of the community to provide comments during its monthly Board meetings. From time to time the Chair may invite jurisdictional staff members; consultants; members of the Accessibility Advisory Committee, Riders' Advisory Council, or Tri-State Oversight Committee; or other parties to make a presentation or comment on a particular issue.

F. Actions

The actions of the Board shall be expressed by motion or resolution. The authority of the Board of Directors is vested in the collective body and not in its individual Members. Accordingly, the Board, in establishing or providing any policies, orders, guidance, or instructions to the CEO, General Counsel, Inspector General or Board Secretary, shall act as a body.

G. Voting

If a Principal Director is absent, his or her alternate Director may vote, except that either alternate from the District of Columbia may vote if either Principal Director from the District of Columbia is absent. No action of the Board shall be effective unless a quorum is present and a majority of the voting Board Members vote affirmatively, which majority shall include at least one principal or eligible alternate from each signatory, provided, however, that a plan of financing may be adopted or a mass transit plan adopted, altered, revised or amended by the unanimous vote of the voting Board Members from two signatories.

H. Limiting Jurisdictional Vetoes

The Compact voting requirements establish what is commonly referred to as the "jurisdictional veto," because, for other than a plan of financing or a mass transit plan, one signatory can block the proposed action of the Board. Board Members are responsive to their jurisdictional concerns, yet also have responsibilities to WMATA and the region as a whole. All Board Members will provide advance notice of the intent to

invoke a jurisdictional veto, and will attempt to resolve disputes over proposed actions prior to invoking a jurisdictional veto. The Chair shall facilitate the resolution of disputes that may lead to a jurisdictional veto.

Article IX

AGENDA, MINUTES AND PARLIAMENTARY AUTHORITY

A. Agenda Development and Distribution

The final Board agenda and the supporting documents for the Board meetings shall be published in advance, except where unavoidable circumstances prevent advance publication or where the subject of the documents requires discussion in executive (closed) session, as provided in Article X.

B. Record of Board and Committee Meetings

There shall be a recording of every Board and Committee meeting, except for executive (closed) sessions pursuant to Article X, to be available for public review at the Office of the Board Secretary and on the WMATA website.

The written records of Board meetings shall be prepared by the Secretary, approved by the Board and made available to the public.

C. Parliamentary Authority

Except where inconsistent with the provisions of the Compact or these Bylaws, *Robert's Rules of Order Newly Revised*, as revised from time to time, shall be the Parliamentary authority at all meetings of the Board and of Board Committees.

Article X

EXECUTIVE (CLOSED) SESSIONS

A. Matters Appropriate for Executive Session

The Board, and Committees as provided in this Article and in the Board's Procedures, may meet in executive session only to discuss critical, sensitive matters, and confidential or proprietary matters, the untimely disclosure of which may be detrimental to the Authority. Such topics include, but are not limited to, the following:

1. Budgetary matters that may affect legal positions, Authority contracts, or sensitive relationships with local jurisdictions or the federal government.

2. Litigation, investigations and other legal matters requiring the provision of legal advice or consultation with counsel and staff members.
3. Personnel or labor issues including discussions of labor contracts and labor negotiations, consideration or interviews of candidates for employment, and the assignment, appointment, promotion, performance, demotion, or resignation of individuals.
4. Contractual or other matters involving confidential or proprietary concerns, or the investment of public funds where discussion in public would adversely affect the financial interests of the Authority.
5. Audit matters and investigations to include, for example, audits of IT security matters and investigations to be referred for further criminal investigation or prosecution.
6. Safety and security matters when premature release would compromise public safety.
7. Disposition of Authority property or acquisition of real property for Authority purposes where discussion in public would adversely affect the Authority's negotiating or bargaining position.
8. Legislative strategy.

B. Procedures for Executive Session

An executive session of the Board shall be regularly scheduled, subject to cancellation by the Chair should there be no need for such a session. The agenda for each session shall be made available to the public prior to the meeting and shall include the title of each topic to be discussed, reasonably identified without violating confidentiality. Executive sessions may also be authorized by a public action of the Board in which the purposes of the session are reasonably identified. If the Board is not in session, the Chair may convene an executive session, which shall be announced immediately. Committees shall only meet in executive session, when authorized by the Board's vote in a meeting consistent with Compact § 8(a),³ or as provided in the Procedures.

The Board will not take formal action in Executive Session. Actions resulting from discussion in Executive Session must be taken at an open meeting of the Board.

³ Compact § 8 (a) provides, in pertinent part, "[N]o action by the Board shall be effective unless a majority of the Board present and voting, which majority shall include at least one Director or alternate from each Signatory, concur therein; provided, however, that a plan of financing may be adopted or a mass transit plan adopted, altered, revised or amended by the unanimous vote of the Directors representing any two Signatories."

Minutes of Executive Sessions will not be kept. Attendance at Executive Sessions of the Board is limited to Board Members, the CEO, the Board Secretary, the General Counsel, and other staff and persons deemed by the CEO and the Board to be necessary for the discussion.

Article XI EMERGENCY SESSIONS OF THE BOARD

The Board and any Committee may meet by telephonic, video or other electronic communication means in either open or executive session with or without a quorum when the Chair (or Vice Chair, if the Chair is unavailable) determines that there is an immediate need to provide Board Members with information regarding significant events that require their immediate notification and/or advice, or when Board action or Committee consideration is critically required on an issue that could not reasonably have been foreseen, and that cannot wait until the next meeting, provided:

1. The purpose of the emergency session is to address the emergency situation.
2. Public notice of the emergency session is given using the best available method given the nature of the emergency situation.
3. Procedures governing voting in an emergency Board session are as provided in Compact § 8(a).
4. Actions taken at an emergency Board session may take effect upon approval, but must be ratified at the next available open Board meeting.
5. To the extent feasible in the circumstances of the emergency situation, the proceedings of an emergency session will be broadcast to the public.

Article XII COMMITTEES

A. Committee Structure

Board Committees are as follows:

1. Safety and Security Committee
2. Finance and Administration Committee
3. Audits and Investigations Committee
4. Customer Service and Operations Committee

5. Planning, Program Development and Real Estate Committee
6. Governance Committee

Committees will consist of a minimum of four members up to committees-of-the-whole, as provided in the Procedures. A majority of any Committee's membership constitutes a quorum provided it includes at least one member from each signatory and a federal member.

All Board Members may attend and participate in Committee meetings. The Chair may establish special or ad hoc committees as needed, with Board concurrence. Any Committee Chair may establish a special, ad hoc or subcommittee consistent with the Committee's responsibilities. Any question of Committee jurisdiction over an issue is resolved by the Board Chair.

As stated in Article X, Committees may meet in executive session only as provided in that Article and in the Board Procedures.

Committee actions are recommendations to the Board of Directors, to be placed on a Board agenda for consideration and action.

Occasionally, an item that would normally be reviewed and forwarded to the Board of Directors by the appropriate Committee may be presented directly to the Board, with the concurrence of the Board Chair and the relevant Committee Chair.

B. Board Committee Responsibilities

The **SAFETY AND SECURITY COMMITTEE** provides continual oversight to assure that all facilities, equipment, and operations of the transit system are safe and secure for passengers, employees, and the public affected by Metro services, and recommends for Board adoption Authority safety and security policy direction as well as safety and security goals for the CEO and for the Authority. In doing so the Committee reviews the WMATA System Safety Program Plan for consistency with safety goals, receives periodic reports from the Tri-State Oversight Committee and works with the Federal Transit Administration and the National Transportation Safety Board as appropriate to review the status of Authority safety and to assure that all safety recommendations from any internal or external safety review or investigation are handled expeditiously and effectively. The Committee receives regular reports from the Chief Safety Officer and Chief of Police on the status of safety and security, on any significant accidents or incidents, on safety and security metrics, and on the responsiveness of the Authority to any safety findings, both internal and external, including the status of corrective action plans. The Committee assures that both employees and the public have accessible channels for reporting safety and security concerns, that such reports are taken seriously, evaluated, and acted upon as appropriate, and that persons reporting such information are protected from reprisals.

The **FINANCE AND ADMINISTRATION COMMITTEE** monitors the financial integrity and viability of the Authority and its programs and services. The Committee develops budget preparation guidance, recommends capital and operating budget approval to the Board, monitors capital and operating budget implementation and management, and recommends proposed budgetary changes to the Board. The Committee recommends policies and programs for setting fares and fees and creating fare structures, oversees operation and development of fare media and fare collection mechanisms, and explores enhanced and expanded techniques for generating revenue. The development of guidance for administrative matters, including procurement/contracting issues and programs; human resources, compensation and benefits issues; civil rights programs; insurance coverages; and WMATA's business systems implementation also fall within the purview of this Committee.

The **AUDITS AND INVESTIGATIONS COMMITTEE** provides oversight of the quality and integrity of the Authority's internal controls, compliance systems and accounting, auditing, financial reporting processes, and investigation processes. The Committee receives and reviews significant audit and investigative findings and corrective actions; establishes criteria and mechanisms for forwarding those findings to the Board; reviews the reports of the external (financial statement) auditor; receives and reviews the recommendation of the Inspector General on the selection of the external auditor and recommends appropriate action to the Board. The Committee provides policy direction and guidance to the Inspector General. The Committee will meet no less than annually to review the annual audited financial statements of the Authority.

The **CUSTOMER SERVICE AND OPERATIONS COMMITTEE** shall ensure that WMATA operational activities and programs are designed to provide reliable, effective and clean transit service, responsive to customer needs. The Committee oversees transit system performance and service standards; the quality of operations programs and procedures; technology initiatives; and customer service, communication and outreach activities, including public and media relations.

The **PLANNING, PROGRAM DEVELOPMENT AND REAL ESTATE COMMITTEE** is responsible for capital program planning and oversight; regional corridor development and system expansion planning; coordination of regional planning issues through the Transportation Planning Board and other state, local and subregional agencies; regional transit service planning and coordination with other transportation service providers; project development; and transit access planning. The Committee is also responsible for coordinating the community development and smart growth aspects of the Authority's system and service development, and oversees the Joint Development Program, including the Transit Infrastructure Investment Fund (TIIF) and other Real Estate matters. The Committee specifically reviews and recommends to the Board actions on 1) Real Estate Acquisitions in the amount of \$250,000 or higher that have not been previously approved by the Board of Directors as part of a specific line

expansion or facility project; and 2) Real Estate Dispositions where the estimated fair market value exceeds \$100,000.

The **GOVERNANCE COMMITTEE** is responsible for maintaining all Board governing documents—Strategic Plan, Bylaws, Procedures and Standards of Conduct—in order to improve effective policymaking, oversight, communications and outcomes. The Committee shall develop revisions and enhancements to these documents using a process of open discussions with stakeholders and other interested parties, ensuring any recommended actions are consistent with Compact requirements. The Committee shall implement an orientation program to assist all Board Members in understanding the transit system and their individual and Board roles and responsibilities, while building cohesion among the Members. The Committee is also responsible for nominating candidates for Board Chair, Vice-Chair and, if applicable, Second Vice-Chair. The Committee shall ensure the timely and regular completion of Board member self-evaluation, and shall also oversee the hiring process and annual performance review of the CEO, Board Secretary, General Counsel and Inspector General.

C. Committee Attendance and Voting

Committee Chairs are responsible for convening Committee meetings at the scheduled time. All Committee meetings are open to all Board Members.

In recognition of the limited time that is available for the conduct of Committee business, Committee Chairs may limit debate. From time to time the Committee Chairs may invite jurisdictional staff members; consultants; members of the Accessibility Advisory Committee, Riders' Advisory Council, or Tri-State Oversight Committee; or other parties to make a presentation or comment on a particular issue.

Article XIII PUBLIC HEARINGS

The Board authorizes the conduct of public hearings for major bus and rail service reductions, fare increases, and other WMATA activities as required by the WMATA Compact or deemed appropriate by the Board. The hearings will be advertised to the general public, and staff will coordinate with local officials and other interested parties in order to ensure adequate notice.

BOARD-ESTABLISHED ADVISORY BODIES

A. Accessibility Advisory Committee

The Accessibility Advisory Committee (AAC) was established to provide recommendations on accessibility related items. The AAC actively seeks input from a broad range of seniors and persons with disabilities and organizations with an expressed interest in public transportation for seniors and persons with disabilities on operational issues that affect the accessibility of Metrorail, Metrobus and MetroAccess services; advise the WMATA Board on ways to resolve such issues in order to improve these services; and promote WMATA responsiveness to riders who are seniors and persons with disabilities.

The AAC periodically makes reports and recommendations to the Board, based on public input, so that WMATA can effectively address the diverse concerns of seniors and persons with disabilities who use WMATA services.

B. Riders' Advisory Council

The Riders' Advisory Council (RAC) was established to actively seek input from a broad range of riders on operational and budgetary issues that affect Metrorail, Metrobus and MetroAccess riders and organizations with an expressed interest in public transit; advise the Board on ways to resolve such issues in order to improve Metrorail, Metrobus and MetroAccess; and recommend possible solutions to the Board and staff, based on public input, so that WMATA can effectively address the diverse concerns of the riding public.

The RAC provides monthly reports to the Board concerning its activities and recommendations.

Copies of requests shall be provided to the Board Secretary who shall inform all Board Members of the requests. The appropriate officer will provide a timely response. For complex requests, an interim response should be provided, which will include a timetable for a full response. Should the response require significant resources, the CEO may request to discuss how to proceed at the next meeting of the Board or its appropriate Committee.

II. Jurisdictional Coordinating Committee (Bylaws Article VI)

A. Reporting Responsibility

The CEO will make appropriate staff available to present and discuss issues on the JCC agenda. Issues may be brought to the JCC in one of three ways: 1) by request of the CEO, 2) by request of the Board through the CEO, or 3) by members of the JCC, or WMATA staff, with approval of the Committee.

B. Organization

The JCC shall organize itself to accomplish the goals established in the Board Bylaws.

III. Communication with the Public (Bylaws Articles VII & VIII.E)

A. Responding to Written Communication from Customers and Stakeholders

The Board holds the CEO responsible and accountable for the administration and operation of WMATA. While the Board welcomes communication from the public regarding policy, suggestions for improvement, or agency oversight, communicating with the Board is not a means to undermine the CEO's responsibilities or accountability.

Board Members will ensure that all communications they receive that require staff assistance are shared with the full Board and the CEO. Board Members shall

exercise discretion in providing personal answers to policy-oriented communications, and will provide any such answers to the rest of the Board and to management. All other customer communications shall be submitted to the CEO for an appropriate response. The CEO shall assure that all agency responses are shared with the full Board.

B. Board Liaison to Established Stakeholder Groups

To the extent necessary to facilitate communication with various stakeholders, the Board Chair, with concurrence of the Board, may designate a Board Member to act as a liaison between the Safety and Security Committee and the Tri-State Oversight Committee and between the Customer Service Committee, the Riders' Advisory Council and the Accessibility Advisory Committee.

C. Public Comment at Board and Committee Meetings

Oral and written comments are welcome and receive equal consideration. Persons who wish to provide written comments may bring a copy of their comments for staff to copy and distribute to the Board and to the public. Written comments may also be submitted electronically, and the WMATA website will describe a convenient method for electronic submission. The Office of the Secretary will administer the Public Comment procedures.

1. Public Comment at Board Meetings

The Board of Directors of the Washington Metropolitan Area Transit Authority (WMATA) shall provide an opportunity for members of the community to provide comments during its monthly Board meetings. Comments shall be limited to matters that pertain to WMATA or other transportation issues. The Board Chair shall have discretion to waive or modify any of the following Procedures for Public Comment.

The public comment period shall follow the approval of minutes on the agenda, and generally shall be no more than 20 minutes.

2. Public Comment at Committee Meetings

Committee Chairs may designate action items on their agendas on which written and oral comments will be received. The agenda released to the public will clearly identify all items on which comments will be received. Comments shall be limited to matters germane to designated items. Committee Chairs shall have discretion to waive or modify any of the following Procedures for Public Comment.

The public comment period shall follow the approval of minutes, and shall be for the period of time set by the Committee Chair, generally no more than 20 minutes.

D. Procedures for Public Comment

1. Any person wishing to make comments pertaining to WMATA/transportation-related topics during the public comment period shall sign a speakers' list prior to the commencement of the meeting. The speakers list will be available beginning at 9:00 A.M. on the day of the meeting, and it will be closed once the meeting begins. Persons who have not signed up prior to the start of the meeting will not be permitted to provide public comment. WMATA staff shall be responsible for ensuring that members of the public have properly signed up for the public comment period, and will ascertain the topic to be discussed consistent with these guidelines.

2. Speakers shall identify themselves in writing on a sign-up sheet by providing their name, address, signature, and the subject matter and/or agenda item to which their comments pertain.

3. Comments related to individual employee personnel issues, claims against the Authority or disputes concerning the award or administration of specific contracts will not be allowed in this forum, as there are other avenues to pursue these matters.

4. At the public comment period, each person will be limited to a time not to exceed two minutes. The Chair shall have discretion to modify the allotted time for speakers, and shall do so before the start of public comment. WMATA staff is responsible for ensuring the time limit for each speaker is not exceeded.

5. Public comments will be made in the order in which individuals signed up, and are to be directed to the Board or Committee as a whole. The public comment period is intended to provide an opportunity to hear members of the community. Board Members may refer matters that arise to the CEO for investigation and/or follow-up.

6. The Chair will moderate the comment period. The Board reserves the right to ban from public comment persons who engage in a consistent pattern of disruptive behavior at WMATA meetings. This may include use of slurs, derogatory comments, or any other conduct, whether physical, verbal or written directed at another person or based upon another person's race, color, origin, sex, religion, sexual orientation, disability or age.

7. Should the time allotted be used before all those who signed up have provided public comment, those who did not have an opportunity to speak will be transferred to the next meeting. At the next meeting, their names will be placed at the

beginning of public comment order, and be permitted to speak in the order they appeared on the original list.

Changes proposed by the CEO to the agenda or materials after the Friday distribution shall be shared, to the extent possible, with the Board Members and the public in advance of the Board meeting.

The final agenda will be made available to the public at the same time it is distributed to Board members. Other materials distributed to the Board Members for Board or Committee meetings shall be made available to the public, by posting on the WMATA website by close of business on the Monday before the Board meeting (or Tuesday if that Monday is a holiday), except where unavoidable circumstances prevent advance publication or where the subject of the materials requires discussion in executive session as provided in the Bylaws, Article X.
