--	-----------------------	--

**PURPOSE**

To request Board approval to initiate and award a competitive requirements contract with a one-year base period of performance and four one-year options.

**DESCRIPTION**

A new requirements contract is needed for the procurement of Detroit Diesel engine parts and Allison transmission parts carried in inventory and used to support bus maintenance activities. This new contract is necessitated by the impending expiration in September 2007 of the existing long-term inventory contract for Detroit Diesel engine parts and Allison transmission parts.
