TITLE:

Modify Metro Center Drainage Pump Sta. POC #31

PURPOSE:

To obtain Board approval to modify contract FO5159 Job Order Contract to issue orders for service to rehabilitate the Metro Center drainage pump station feeder with a total value not to exceed \$275,000.

DESCRIPTION:

Modify Contract FO5159 - Job Order Contract (JOC) to issue orders for service to rehabilitate the Metro Center drainage pump station feeder total value not to exceed \$275,000. The project requires replacing the feeder cable and other drainage pump station equipment to maintain operational readiness of the pumps and avoid flooding.

This action will provide for JOC Orders for Service to provide labor, tools, equipment and supervision to perform the repair.

This item was originally included in the proposed Capital Plan of Contracts that was deferred at the Finance, Administration and Oversight (FAO) Committee on September 10, 2009. This is a priority contract and is being submitted individually because Board-approval of the Plan will not be considered until October 2009. The contract modification is item number 31 in the amount of \$275,000 on the Plan of Contracts submitted to the FAO Committee on September 10, 2009.
