Furthermore, Metro has labor agreements with the following collective bargaining units:

- Fraternal Order of Police/Metro Transit Police Labor Committee, Inc. (FOP)
- Office and Professional Employees International Union Local No.2, AFL- CIO (Local 2)
- Local 639, International Brotherhood of Teamsters Law Enforcement Division (Local 639)
- Local Union 689 of the Amalgamated Transit Union, AFL-CIO (Local 689)
- Local 922, International Brotherhood of Teamsters (Local 922)

Key Highlights:

- On November 4, 2021, the GM/CEO presented Proposed FY2023 Budget and FY2023-2028 CIP for Board consideration
- Proposed budget includes minor service adjustments and fare reductions adopted by the Board of Directors in September 2021
- Proposed CIP includes Federal Transit Administration (FTA) grant funding which requires public hearings prior to utilization
- Following Board of Directors authorization, Metro will hold public hearings in January/February 2022 to solicit public input regarding Metro's proposed CIP and use of FTA grant funds
- As part of the public hearings, staff will develop and undertake extensive outreach (as outlined in the Board-adopted Public Participation Plan) on the proposed operating and capital budgets that will be part of the public record of the hearing
- The Board will consider the hearing and outreach findings before adopting the FY2023 Operating Budget and FY2023-2028 CIP and Title VI Equity Analysis.

Background and History:

On November 4, 2021, the GM/CEO presented a Proposed FY2023 Operating and Capital Budgets and FY2023-2028 CIP to the Board. As Metro and the region continue to recover from the effects of the Covid-19 pandemic, the Proposed FY2023 Budget continues to invest in all-day service seven days a week that prioritizes safe, reliable, and equitable transit service. Key objectives for FY2023 include:

The Proposed FY2023 Operating Budget improves Metrobus and Metrorail services and practices to enhance service equity and promote broader transit access across the region, continues discount fare options to make it easier and convenient for customers to use Metro and reduces costs with additional management across Metro.

The Proposed FY2023-2028 Capital Improvement Program is focused on Metro's key investment priorities: Safety and Security, Reliability, State of Good Repair, and Sustainability, Efficiency and Resiliency.

Discussion:

The proposed FY2023 docket includes the following items for public hearings and related public participation activities before Board of Directors deliberations and budget adoption in spring 2022:

Capital Improvement Program Proposals (See Attachment A)

The proposed six-year \$12.4 billion CIP focuses investment in ongoing safety and state of good repair programs and projects, prioritized system preservation and renewal projects identified in Metro's Capital Needs Forecast and asset management and reliability plans. Capital delivery has improved in the recent past, with Metro delivering the single largest annual capital investment of \$1.84 billion in FY2021.

Metro's Capital Improvement Program is implemented across six investment categories:

- Railcars and Railcar Facilities
- Rail Systems
- Track and Structure Rehabilitation
- Bus, Bus Facilities, and Paratransit
- Stations and Passenger Facilities
- Operations and Business Support

In addition to Metro-identified priorities, several Jurisdictional projects are included in the reimbursable projects program, including the Potomac Yard infill station and support for the Silver Line Metrorail extension.

Metro made significant progress in capital improvements in FY2021 in the low ridership period during the on-going Covid-19 pandemic. Projects advanced in FY2021 include:

- Phase 2 of the Platform Improvement Project (including East Falls Church, West Falls Church, Dunn Loring, Vienna, Reagan National Airport)
- Completion of the platform-level lighting upgrades to retrofit all 48 underground Metrorail stations and station ceiling lighting at 12 stations
- Release of the SmarTrip mobile applications for Apple iOS and Android

- Completion of the cellular and wireless service installations across the Metrorail system
- Platform rehabilitation at Arlington Cemetery and Addison Road as part of Phase 3 of the Platform Improvement Project
- Delivery of 175 hybrid sedans for MetroAccess
- Delivery of 133 Metrobuses
- Replacement of nine drainage pumping stations

Significant projects moving forward in FY2022 include:

- Platform rehabilitation at West Hyattsville, Prince George's Plaza, College Park-UMD, Greenbelt (Phase 3 of the Platform Improvement Project)
- Chevy Chase, Colorado, and Calvert St. Historic Bus Terminal Rehabilitations
- Alexandria Yard Automatic Train Control (ATC) replacement
- Rockville Canopy Replacement (as part of the Structural Rehabilitation Package 1)
- Judiciary Sq. South entrance stairwell
- Dupont Circle North entrance canopy
- Office consolidation including construction of office buildings in DC, Virginia and Maryland
- Replacement of six drainage pumping stations
- Delivery of 120 Metrobuses.

The CIP also includes ongoing Capital Projects to address previously unmet or unfunded needs these projects include:

- Acquisition of 8000 series railcars to replace 2000 and 3000 series cars
- Heavy Repair and Overhaul Facility
- Bladensburg Bus Garage Facility
- Northern Bus Garage Facility
- Metrorail Fare gate replacement and Metrobus farebox replacement
- Replacement of 130 escalators systemwide
- MD, VA office buildings
- Potomac Yard Metrorail Station
- Tunnel Ventilation Pilot
- Yellow Line Tunnel and Bridge Rehabilitation project

Metro continues to reduce overdue and ongoing state of good repair needs. When measured in FY2016 the backlog was estimated at \$7.1 billion and reduced to about \$5.0 billion by FY2018. Metro is projecting further reductions to the state of good repair backlog through the continued federal and regional investment in the CIP. Planned capital investments will reduce the state of good repair backlog to about \$3.2 billion by FY2028 and to about \$1.2 billion by FY2032. These projections assume continued investments in projects and programs that prevent adding items to the backlog.

Capital Program Risks and Considerations:

The Capital program faces traditional funding and execution risks in addition to those related to the pandemic. The risks include additional labor costs associated with Covid compliance for personal health and safety, as well as supply chain interruptions, inflation and market escalations.

Risks to capital funding sources include uncertainty of the federal funding and the long-term dedicated funding debt capacity. Continuation of state of good repair projects to sustain state of good repair and reliability and prevent future backlogs, require on-going funding at an order of magnitude of \$1.5 billion on average per year. Additional unfunded or underfund needs include, but are not limited to, Zero Emission bus implementation; the Next Generation Signal System; Blue/Orange/Silver Line capacity and reliability improvements; and Railcar fleet and facility improvements for future rail system capacity and frequency improvements.

FY2023 Operating Budget (See Attachment B)

Total proposed operating budget excluding reimbursables is \$2.282 billion, an increase of \$182 million from FY2022, and \$212.2 million more than pre-pandemic levels. Specific cost drivers in FY2023 include Silver Line 2 service launch, the addition of Potomac Yard Station, Cost of Living Adjustment for employees in bargaining units/Non-Represented Pay Performance, General CPI/Inflation, Additional Support Costs, and additional staffing for internal response and coordination of Washington Metrorail Safety Commission (WMSC) directed activities. In addition, Metro will implement additional management savings initiatives totaling \$5 million in FY2023.

The FY2023 subsidy adheres to the mandated three percent annual growth cap with an FY2023 capped subsidy of \$1,142.9 million. Legislative exclusions in the proposed budget total \$49.0 million and include \$3.2 million for Juneteenth Holiday, \$3.4 million for safety mandates from the WMSC, \$40.8 million for Silver Line Phase 2 launch, and \$1.5 million for the new Potomac Yard Station, for total annual operating subsidy of \$1,191.9 million excluding debt service.

Service Proposals (See Attachment C)

The FY2023 budget funds current service levels that went into effect on September 5, 2021, as well as provide funding for Silver Line Phase 2 revenue service, Potomac Yard Station opening and additional equity-based service improvements in calendar year 2022.

Furthermore, service changes that were temporarily adopted by the Board on June 10, 2021 (Resolution 2021-22) would be included for possible permanent adoption. Those changes include the following:

Bus Service Improvements

- Launch 20 lines all day, frequent network at rail frequencies
 - 20 bus lines with 12 minutes or better service, 7am to 9pm, seven days a week
- Additional improvements
 - 16 bus lines with 20 minutes or better service, 7am to 9pm, seven days a week
 - Service restored or improved on an additional 46 bus routes

Rail Service Improvements

- All six rail lines with improved all day and peak frequencies
 - 10 minutes or better peak
 - 12 minutes or better all day
 - 15 minutes or better late night
- Rail system open longer
 - Summer 2021: Extend hours to midnight, seven days a week
 - Fall 2021: Extend hours to 1 am on Friday and Saturday; Sunday opening to match Saturday

Fare Proposals (See Attachment D)

Make FY2022 fare proposals permanent:

The following temporary fare changes implemented in September 2021 are included for possible permanent adoption: free rail-bus transfers (\$2 transfer discount); lower 7-Day Regional Bus Pass Price (\$12 from \$15); regional providers in Metro passes and rail weekend \$2 flat fares.

In addition, the following additional pandemic fare discounts are recommended for Board of Directors consideration:

\$2 Late Night Rail Fare

To support late-night workers and the late-night economy, Metrorail fares would be a flat \$2 for one-way trips from 9:30 pm until close. This benefits late-night workers and encourages use of the system during less busy hours. This is expected to reduce revenue by \$1.0 million.

Discount Monthly Passes

Monthly pass products would be discounted to make the price more attractive to workers who are now commuting to their physical offices less than five days per week. The discount will reduce the price range from \$72-216 to \$64-192 depending on the distance selected and reduce revenue by \$1.7 million.

Discount 7-Day Unlimited Passes

The 7-Day unlimited pass would be discounted to make its pricing attractive to workers who may not be travelling on consecutive days. The 50 percent discount from \$58 to \$29 provides significant value to riders who may be riding three or more days during the 7-day pass validity. The impact on revenue will be a decrease of \$0.3 million for a six-month promotion.

Add Value Bonus

The add value bonus rewards customers when they add funds to their SmarTrip card. For every \$25 placed on a SmartTrip card, an additional \$5 will be added to the card. The bonus may induce ridership and appeal to customers with irregular work schedules. The revenue loss is estimated at \$7.9 million for a six-month promotion.

Public Engagement Activities

Metro will conduct extensive public engagement effort in January and February 2022 to gain feedback regarding the proposed FY2023 budget, as well as capital improvement program Silver Line Phase II and the new Potomac Yard Station.

Responsive to the Board of Directors' Equity Framework, Metro will incorporate accessibility to reach a broader audience, including minority, low-income, limited-English communities. New efforts will include advertising in non-English newspapers, targeted digital advertising, deploying multi-lingual street teams to rail and bus locations, and producing stakeholder toolkits so that community partners can help expand Metro's reach. An informational website and survey will be mobile-accessible, and Quick Response (QR) codes will be used on signs to help connect customers directly to these resources. Feedback gathered during the public comment period will be provided to the Board for consideration in March 2022.

FUNDING IMPACT:

No funding impact, approval for public hearings only.

Board authorization to conduct Public Hearings and related public participation activities on the FY2023 Operating and Capital Budgets and FY2023-2028 Capital Improvement Program as well as service and fare change proposals.

SUBJECT: AUTHORIZATION FOR PUBLIC HEARINGS ON PROPOSED FISCAL YEAR 2023 CAPITAL BUDGET AND FY 2023-2028 CAPITAL IMPROVEMENT PLAN, WHICH WILL BE HELD COINCIDENT WITH TITLE VI EQUITY ANALYSIS AND PUBLIC PARTICIPATION ON SERVICE AND FARE CHANGES

2021-42

**RESOLUTION
OF THE
BOARD OF DIRECTORS
OF THE
WASHINGTON METROPOLITAN AREA TRANSIT AUTHORITY**

WHEREAS, Compact Section 12(k) requires the Board of Directors to authorize public hearings; and

WHEREAS, The Federal Transit Administration (FTA) requires all recipients of Urbanized Area Formula Program ("Section 5307") grant funding to annually develop, publish, hold a public hearing, and submit for approval a Program of Projects that is part of its capital budget; and

WHEREAS, Enactment Clause 8 of the 2018 Virginia dedicated funding statute (VA Acts of Assembly Ch. 854 Enact. Cl. 8) requires WMATA to hold a public hearing on a capital improvement plan (part of the capital budget) within the geographic limits of the Northern Virginia Transportation Commission; and

WHEREAS, The proposed \$2.4 billion Fiscal Year (FY) 2023 capital budget (Attachment A), which includes WMATA's Program of Projects, funds critical safety investments and state of good repair investments to improve the safe, reliable and effective performance of the Metro transit system; and

WHEREAS, The proposed \$14 billion FY 2023-2028 Capital Improvement Plan (included in Attachment A) includes federal funding from FTA annual formula grant programs, including Section 5307 funding; and

WHEREAS, The Board desires to obtain public comment on the proposed \$2.28 billion FY 2023 operating budget (Attachment B) that includes proposals for service changes to Metrorail and Metrobus (Attachment C) and fare changes (Attachment D); and

WHEREAS, Staff proposes to close the Metro Center Sales Office and relocate the sales office to the new L'Enfant Plaza Metro Headquarters building (Attachment E) due to decreasing demand for in-person purchases of fare media products as more customers use mobile fare media and internet sales;

Motioned by Mr. Letourneau, seconded by Ms. Babers

Ayes: 8- Mr. Smedberg, Ms. Babers, Mr. Slater, Ms. Kline, Mr. Letourneau, Dr. Hadden Loh, Mr. Drummer and Ms. Martin-Proctor

NOW, THEREFORE, be it

RESOLVED, That in accordance with the Federal Transit Administration (FTA) Urbanized Area Formula Program ("Section 5307") requirements, the Board of Directors will conduct at least two public hearings, one of which will be held within the geographic limits of the Northern Virginia Transportation Commission as required by the Virginia dedicated funding statute (VA Acts of Assembly Ch. 854 Enact. Cl. 8), to solicit public comment on WMATA's proposed Fiscal Year 2023 capital budget, which incorporates WMATA's Program of Projects, and proposed Fiscal Year 2023-2028 Capital Improvement Plan as set forth in Attachment A, and be it further

RESOLVED, That the Board of Directors directs the General Manager and Chief Executive Officer to report on the findings of the public hearings on the Fiscal Year 2023 capital budget, which incorporates WMATA's Program of Projects, and proposed Fiscal Year 2023-2028 Capital Improvement Plan, as well as the findings of the Title VI Equity Analysis and other outreach efforts on the proposed service and fare changes; and be it finally

RESOLVED, That in order for the Board of Directors to incorporate public input in its deliberations on the Fiscal Year 2023 proposed capital and operating budgets and related matters, this Resolution shall be effective immediately.

FY2023 Grant Applications

Overview

WMATA is committed to improving the safety, reliability, and affordability of its system by substantially improving its assets — from rail stations, tracks and traction power infrastructure to the vehicles, maintenance facilities and cooling systems — and providing a better transit experience for hundreds of thousands of customers each day.

The proposed FY2023 capital budget of \$2.4 billion and six-year capital plan of \$14.0 billion include investment in ongoing projects, prioritized system preservation and renewal needs from the Capital Needs Forecast and asset management and reliability plans. Over the past four years, Metro has spent over \$6 billion on capital investments. Capital delivery set a record level of investment in the Metro system delivering approximately \$1.8 billion in FY2021.

Capital program publications detail the following:

- Capital Needs Forecast identifying a total of \$23.0 billion in investment needs unconstrained by cost or execution capacity.
- Capital Program Strategy outlining the vision and goals for capital investments.
- 10-Year Capital Plan projecting \$23.0 billion in investments constrained by delivery capacity for major projects. (Note: Due to delivery capacity constraint, there are potentially significant investment needs beyond the 10-year planning horizon.)
- Six-year Capital Improvement Program investments of \$12.4 billion and a FY2022 capital budget of \$2.3 billion with a list of priority projects and programs constrained by affordability and delivery capacity.

Major capital program investments to further improve service and customer experience include:

- **Railcars and Rail Facilities.** Major **vehicle** investments include the 7000- and 8000-series railcar acquisition programs. Major **facilities and systems** investments include the public address system, Heavy Repair and Overhaul Facility, and rehabilitation of railyards, and the railcar wash.
- **Rail Systems.** Major investments include Train Control Room Rehabilitation, Switch Machine Replacement, Rail Power System Rehabilitation, AC Power Rehabilitation, Radio Infrastructure Replacement, and Braking Energy Recovery Installation.
- **Track and Structures Rehabilitation.** Major investments include track rehabilitation and maintenance; tunnel remediation and water leak mitigation; and bridge and aerial structural rehabilitation.
- **Station and Passenger Facilities.** Major investments include Station Fire Control Infrastructure improvements; station infrastructure rehabilitation, replacement, and improvements; parking garage, surface lot, canopy, and elevator rehabilitations; passenger information, lighting, and station cooling system work.
- **Bus, Bus Facilities, and Paratransit.** Major **vehicle** investments include bus acquisition and rehabilitation and paratransit vehicle purchases. Major facilities investments include Northern and Bladensburg garage replacements and Montgomery and Four Mile Run garage rehabilitation; closed circuit television, shelter, stop accessibility, display signs, and terminal rehabilitation.
- **Operations and Business Support.** Major investments include office construction in DC, MD, and VA; data center replacement; enterprise IT infrastructure state of good repair; service vehicle replacement; roof rehabilitation and replacements; and environmental compliance.

The six-year plan includes reimbursable projects such as the Silver Line, the Potomac Yard infill station, and the Purple Line.

FY2023 Operating Budget Proposal

WMATA's Proposed FY2023 Operating Budget totals \$2.28 billion, not including operating reimbursables and debt service. The budget is funded by system generated revenues of \$374.6 million, jurisdictional subsidy of \$1.19 billion and \$715.8 million of federal relief. The jurisdictional subsidy consists of \$1.143 billion in contributions adhering to the 3 percent annual subsidy growth cap and \$49.0 million in legislative exclusions.

The proposed operating budget includes projected ridership at 53% of pre-pandemic levels and would fund continuation of service at or near pre-pandemic levels that became effective in September 2021. In addition, the budget funds additional service to be phased in 2022 including Silver Line Phase 2 revenue service, Potomac Yard station operations, and equity improvements.

**Proposed Metrorail
Service Changes**

1. Improve Late Evening frequency

Improve Blue, Orange, Green, Yellow and Silver Line headways to 15 minutes from 20 minutes and improve Red Line headways to 10 minutes from 15 minutes.

Late evening frequencies would start at 9:30 pm and operate seven days per week.

2. Improve Weekend Frequency

Improve Blue, Orange, Green, Yellow and Silver Line headways to 12 minutes from 15 minutes and improve Red Line headways to 6 minutes from 12 minutes on Saturday and Sunday. The weekend frequency would operate from start of service to 9:30 pm.

3. Standardize Weekday Off-peak Frequency

Improve Blue, Orange, Green, Yellow and Silver Line headways to 12 minutes and improve Red line headways to 6 minutes from 5:00 am to 6:30 am and from 7:00 pm to 9:30 pm to be consistent with midday weekday service.

4. Improve Weekday Peak Frequency

Improve Blue, Orange, Green, Yellow and Silver line headways to 10 minutes from 12 minutes. Improve Red line headways to 5 minutes from 6 minutes

The weekday peak service improvements would operate Monday through Friday from 6:30 am to 9:30 am and from 3:00 pm to 7:00 pm.

5. Close Rail Later Sunday Through Thursday

The Metrorail system would operate one additional hour to midnight Sunday through Thursday.

6. Close Rail Later Friday and Saturday

The Metrorail system would operate two additional hours on Friday and Saturday (to 1:00 am).

7. Start Sunday Service Earlier

The Metrorail system would start one hour earlier at 7 am instead of 8 am on Sunday.

8. Open Silver Line Phase 2

The Metrorail system will expand the Silver Line from Wiehle-Reston East to Ashburn with stations at Reston Town Center, Herndon, Innovation Center, Dulles International Airport, Loudoun Gateway and Ashburn.

9. Open Potomac Yard-VT Station

The Yellow and Blue lines will expand to include the Potomac Yard-VT station.

¹ Peak fares are in effect from opening through 9:30 a.m. and from 3:00 p.m. to 7:00 p.m. weekdays, except on national holidays.

² Off-peak fares are in effect during all other hours on weekdays and all national holidays.

³ Weekend flat fares are in effect from Saturday opening until Sunday closing.

⁴ Unlimited Combo Passes shall be valid on Metrorail, Metrobus and Regional Bus Providers (including but not limited to ART, DC Circulator, CUE, DASH, Fairfax Connector, The Bus, and Ride On) instead of only Metrorail and Metrobus upon the implementation of and subject to WMATA entering into a revenue sharing agreement with regional providers.

⁵ Metro's portion of the TransitLink Cards on MARC, VRE, and MTA.

⁶ A \$0.05 surcharge on entry and exit at up to two stations in each jurisdiction in the Compact Transit Zone to fund station-specific capital improvements to Metro facilities at the station(s) where the surcharge is levied may be imposed with further Board approval.

⁷ MetroAccess fare is twice the equivalent fixed route SmarTrip® fare based on fastest trip.

⁸ Parking fees consist of Metro's base fee plus jurisdiction surcharge, if any.

Additional Fare Changes

1. The District of Columbia currently provides additional \$0.50 subsidy to increase the value of bus to rail transfers for passengers transferring from bus to rail on DC Bus Routes 94, A2, A4, A6, A7, A8, W1, W2, W3, W5, W6 and W8. To the extent that the \$2 bus to rail transfer is in place, the additional subsidy provided by the District of Columbia shall be terminated.
2. Notwithstanding the fare changes made in this Resolution the virtual bus-to-bus transfers between lines serving the Addison Road and Capitol Heights Metrorail stations via Metrorail at no charge with the use of a SmarTrip® card authorized in Resolution 2017-52 shall continue in effect.

Closure and Relocation of Metro Center Sales Office

The proposal is to permanently close the Metro Center Sales Office and relocate the sales office to the new L'Enfant Plaza Metro Headquarters building.
