PURPOSE/KEY HIGHLIGHTS	Staff will seek Board approval to revise the WMATA FY2025 & FY2026 Virginia State Operating Funding Agreement. The proposed revision responds to a request from the Virginia Department of Rail and Public Transportation (DRPT) to change the disbursement schedule for \$76.7 million in general funds. <b>RECOMMENDATION/NEXT STEPS</b>	Board approval to revise the WMATA FY2025 & FY2026 Virginia State Operating Funding Agreement to reflect the Virginia Department of Rail and Public Transportation's request to disburse the \$76.7 million in quarterly payments during FY2026.
<b>FUNDING IMPACT</b>	The total amount of funding from the Commonwealth of Virginia remains unchanged at \$76.7 million. This revision affects only the disbursement schedule. Instead of receiving the funds as a lump sum in FY2025, WMATA will now receive quarterly payments throughout FY2026. The change has no impact on the total operating subsidy amount.
