Information Item

A. World Class Transit

Staff provided the Board with an update on Metro's vision to achieve world class transit with a focus on actions to create a safer, more reliable, cost-effective system that provides additional capacity to meet growing ridership. Specifically, the presentation provided context, benefits, and next steps for rail automation, frequent bus and bus priority, and the revised approach to addressing capacity and reliability challenges on the Blue, Orange, Silver lines.

The meeting was adjourned at 11:52 a.m.
