TITLE:

Improved Governance: Revisions to Board Bylaws

PRESENTATION SUMMARY:

Proposed revisions to Board Bylaws to better align the Board's activities with its strategic priorities to promote Board efficiency and effectiveness. Includes changes to the Board's committee structure.

PURPOSE:

Board approval of proposed revisions to Board Bylaws to align them with the Board's strategic priorities for FY2018 and beyond, and to promote Board efficiency and effectiveness.

DESCRIPTION:

Following the passage of Metro's FY2018 Budget, the Board developed a set of strategic priorities: Board and organizational effectiveness; fiscal health; safe and reliable operations; and capital planning and real estate. The General Manager/Chief Executive Officer's (GM/CEO's) "Keeping Metro Safe, Reliable and Affordable (KMSRA) Plan" also aligns with these priorities.

The Board proposes to revise its Bylaws to change its committees and committee structure to better align the Board's activities with its strategic priorities; promote Committee efficiency and effectiveness; and foster interactive discussions at meetings of the full board.

Changes to the Bylaws include: fewer committees with more appropriate Board-level focus on oversight and strategy; smaller committees to be more efficient and nimble, and allow for fuller discussions at the full Board level; updated mission and vision statements; elimination of the Second Vice Chair position; and improved selection process for committee leadership since all members are eligible to serve as Chairs and Vice Chairs. The Board also proposes to change the timing of its annual organizational meeting and officer elections to align with Metro's Fiscal Year (July 1 - June 30).

Key Highlights:

- The proposed revisions to the Bylaws include changes to the Board's Committee structure to align the Board's committees with its strategic priorities and the General Manager's KMSRA Plan
- The Board's proposed standing committees are as follows:
 - Executive Committee – Chair, Vice Chair, Committee Chairs
 - Finance and Budget
 - Safety and Service Delivery
 - Business Oversight
 - Capital and Strategic Planning
- The Board's annual organizational meeting and elections would move from January to July to coincide with Metro's Fiscal Year

Background and History:

In 2010 and 2011, to improve Metro's governance, the Board of Directors developed a set of Board Bylaws and Procedures, with significant input from local, regional and national bodies. Subsequently, the Board reviewed and revised these Bylaws and Procedures on an annual basis.

In November 2016, following a thorough review by its Strategic Advisor, the Board made significant revisions to its Bylaws and removed the Board Procedures from its governing documents.

Discussion:

Following passage of the FY2018 budget, the Metro Board developed a set of strategic priorities to guide its activities in FY2018 and beyond. Revising the Board's Bylaws to align its committee structure with its strategic priorities will enable the Board and its respective committees to manage its activities and work products in support of those priorities. These changes will also promote Committee efficiency and effectiveness as well as foster interactive discussions at meetings of the full Board.

Following the passage of the revised Bylaws, including revisions to committee structure, committee chairs and vice chairs, in coordination with WMATA staff, will develop individual committee work plans for FY2018 for Board review and approval in September.

FUNDING IMPACT:

No impact on funding - proposed Bylaws revisions only affect Board operations.
