Bus Snow Service

Check the table below for your Metrobus route status during snow, freezing rain, sleet, and/or ice.

Each route shows its status: Regular Service, Snow Detour, or Temporarily Suspended. Service impacts may grow as weather and travel conditions worsen. We encourage customers to [bookmark this page](#) for up-to-the-minute updates. Service will be restored route-by-route on cleared streets as soon as possible.

For additional service updates, sign up for [MetroAlerts](#), use our [MetroPulse](#) mobile app, and/or visit [status and alerts](#).
