10:30 a.m.
Potomac Yard Station North Pavilion Entrance

Invitation to follow

Metro Ambassadors

I was going to work and I ran into one of the new Metro Ambassadors!! She was so nice and helpful. I did not even get down the escalator before she said Good morning!! I was in shock! I never been greeted like that before. I will never forget her. I hope to see her again. I think her she told me her name was Alexander.. I saw other beautiful smiles as well. Love love the bright yellow shirts.
