Washington Metropolitan Area Transit Authority Board of Directors

BYLAWS

Article I - MISSION

The WMATA Board of Directors, all Directors and their alternates (hereinafter "Board" or "Board Members"), furthers the mission of the Washington Metropolitan Area Transit Authority (WMATA) to operate and maintain a safe, reliable and effective transit system that enhances mobility, improves the quality of life, and stimulates economic development in the Washington metropolitan area.

Article II - BOARD RESPONSIBILITIES

The Board governs through policies and exercises oversight over policy compliance and results. Active healthy debate is encouraged; once a decision is made, the Board speaks with one voice. The Board ensures regular reporting to the public related to Board and Authority priorities and targets.

The Board is primarily responsible for policy, financial direction, oversight and WMATA's relationships with its customers, jurisdictional partners and signatories.¹ See Article IV.

Board Members place the public interest of the Authority and the people of the region foremost while ensuring that the Authority provides safe, reliable customer-friendly transit services across the entire Washington DC metropolitan region. The key Board responsibilities are to:

A. Ensure a Safe & Reliable System

1. Develop Board policies and encourage Authority practices that ensure safety, transparency, accountability, customer service, regular communication practices and prudent financial decision-making.

¹ "Signatories" is a Compact term meaning the State of Maryland, the Commonwealth of Virginia and the District of Columbia. Compact § 1(d). By "jurisdictions," "jurisdictional partners" and similar terms, these Bylaws mean the jurisdictions encompassed by the Transit Zone as defined in Compact § 3: "the District of Columbia, the cities of Alexandria, Falls Church and Fairfax and the counties of Arlington, Fairfax and Loudoun and political subdivisions of the Commonwealth of Virginia located within those counties, and the counties of Montgomery and Prince George's in the State of Maryland and political subdivisions of the State of Maryland located in said counties," and any jurisdictions that may be added by enlarging the Transit Zone per Compact § 83.

2. Following public hearings, adopt rules and regulations and provide oversight for the safe, convenient, and orderly use of the transit facilities owned, controlled, or operated by the Authority, including the payment and the manner of the payment of fares or fees, the protection of the transit facilities, the control of traffic and parking upon the transit facilities, and the safety and protection of the riding public.

B. Exercise Fiduciary Responsibility

1. Promote and support adequate resources to ensure a state of good repair for the Adopted Regional System and the overall fiscal health of WMATA.
2. Provide opportunities for customer and stakeholder input.
3. Assure transparency in reports on priorities and targets.
4. Maintain clear lines of communication between the Board, the General Manager and Chief Executive Officer (CEO), the public and all stakeholders, and oversee WMATA's relationships with local, state and federal governments.
5. Develop state and federal legislative strategies and coordinated transit advocacy programs.

C. Engage in Strategic Regional Leadership

1. Create and adopt a budget, the fare structure, service levels, and a business plan, which shall be regularly updated.
2. Develop, adopt and monitor a Strategic Plan whose priorities and targets are linked to performance measures, with consideration of stakeholder input and organizational assessments, and include them in an annual report to customers and stakeholders.
3. Provide for a structured budget process developed in consultation with jurisdictional funding partners, including key milestones in the process for coordination and input.
4. Adopt and review key performance and service standards to provide policy guidance regarding the quantity and quality of service.
5. Convene, as needed from time to time, a meeting with regional leaders to discuss transportation matters of regional significance.

D. Oversee Planning, Operations and Customer Service

1. Determine Authority policy and provide oversight for the funding, operation and expansion of safe, reliable, and effective transit service within the Transit Zone.
2. Regulate the use of facilities owned or controlled by the Authority, the service to be rendered, including specific service standards, and the fares and charges to be made therefore.
3. Hold public hearings and conduct investigations relating to any matter affecting transportation in the Zone with which the Authority is concerned and, in

connection therewith, subpoena witnesses, papers, records and documents; or delegate such authority to any officer.

4. Hold public hearings prior to raising any fare or rate or implementing a major service reduction.
5. Develop and adopt, and from time to time review and revise, a mass transit plan.
6. Prepare and adopt a plan for financing the construction, acquisition, and operation of facilities specified in a mass transit plan.
7. Annually adopt a capital budget, including all capital projects the Board proposes to undertake or continue during the budget period, containing a statement of the estimated costs of each project and the method of financing thereof.
8. Upon such terms and conditions as it may deem appropriate, enlarge the Transit Zone to embrace any additional area when advised by the Northern Virginia Transportation Commission or the Washington Suburban Transit Commission that the geographical area embraced therein has been enlarged.

E. Exercise Individual Responsibility as a Member of the Board

1. Act in a manner that enhances and promotes WMATA's mission.
2. Regularly attend and participate in Board and Committee meetings and Authority activities that build knowledge, awareness and support for WMATA, including personal use of WMATA bus, rail or MetroAccess services.
3. Execute and adhere to the Code of Ethics for Members of the WMATA Board of Directors.
4. Help build good working relationships among Board Members.
5. Facilitate stakeholder input and feedback in ways that assure all Board Members have access to the same information.
6. Participate in open healthy debate on issues; after a decision is made, speak with one voice.

F. Evaluate CEO, Board Secretary, and Inspector General

Appoint, remove, determine the compensation and specify the duties and functions of the CEO, Board Secretary, and Inspector General, and provide comments to the CEO in establishing performance goals and assessing the performance of the General Counsel.

Article III - BOARD OFFICERS

The Board annually elects a Chair, a First Vice-Chair and a Second Vice-Chair. The election is held at the January Board meeting each year. These Officers shall be elected without regard to jurisdiction of residence or representation.

The Chair is first among equals and is dedicated to facilitating the work of the Board and encouraging the creation of common ground and consensus that moves the Board's work forward in a manner that promotes and enhances WMATA's overall mission. The Chair is accountable to the Board, and:

A. Facilitates Work of Board

1. Leads the development of Board policies and encourages Authority practices that ensure transparency, accountability, customer service, regular communication practices and prudent financial decision-making.
2. Chairs all Board meetings, and sets the Board meeting schedule (including Executive Sessions and any Special or Emergency meetings, *see* Articles X, VIII.C and XI, respectively); works with the General Manager and Chief Executive Officer (CEO) on agenda development for Board meetings, including waiving Committee review of particular items jointly with the applicable Committee Chair.
3. Recommends Board Committee chairs and members to the Board; appoints any special or ad hoc committees that may be needed, and resolves any questions of Committee jurisdiction over issues. *See* Article XII.A.
4. Maintains communication with Board Committee chairs and members to ensure awareness and understanding of important issues.
5. Builds strong relationships among Board Members.
6. Facilitates annual self-evaluation of the Board and its Committees.
7. Limits use of the "jurisdictional veto" by facilitating the resolution of disputes between Board Members representing different signatories. *See* Article VIII.H.
8. Initiates the hiring process for the CEO, Board Secretary and Inspector General.
9. Initiates the annual performance review of the CEO, Board Secretary and Inspector General.

B. Establishes Strong Board and CEO Relationship

1. Serves as a liaison between the CEO and the Board to help build a strong partnership with the Board.
2. Works with the CEO in developing CEO performance measurements for review and agreement by the full Board.

C. Fosters Board Communication with External Stakeholders

1. Represents the Board as the primary spokesperson to the media, customers and external stakeholders (on behalf of the Board not the Authority).
2. Acts in a manner that enhances and promotes WMATA's mission.
3. Exercises leadership by moving the Board toward consensus.
4. Ensures regular reporting of the Board and the Authority's priorities and targets.

In the absence or inability of the Chair to serve, the First Vice-Chair shall have all of the powers and shall perform all of the duties of the Chair in an acting capacity. The same applies to the Second Vice-Chair in the absence or inability of the Chair and First Vice-Chair to serve.

Article IV - BOARD-CEO RELATIONSHIP

The Board and General Manager and Chief Executive Officer (CEO) are guided by mutual respect and confidence in each other's role. The Board has confidence that the CEO shall build and manage a high-performing organization. The CEO has confidence that the Board shall focus its efforts and attention on policy matters. The Board is primarily responsible for policy, financial direction, oversight and WMATA's relationships with its customers, jurisdictional partners and signatories. No Board Member individually shall direct or supervise the CEO or any WMATA employee or contractor. The CEO is primarily responsible and delegated the authority for the overall administration and operations of WMATA, subject to policy direction and oversight from the Board, in order to achieve the Authority's mission to operate a safe, reliable and effective transit system that enhances mobility, improves the quality of life, and stimulates economic development in the Washington metropolitan area. The CEO may establish appropriate public and stakeholder involvement processes that allow for early and proactive engagement to inform Board policymaking.

Article V - BOARD COMMUNICATION WITH CEO AND OTHER OFFICERS

All requests to staff by Board Members are directed to the General Manager and Chief Executive Officer (CEO), General Counsel, Inspector General or Board Secretary. Copies of requests shall be provided to the Board Secretary who shall inform all Board Members of the requests. All responses to Board Member requests are distributed to all Board Members, as are pertinent inquiries from jurisdictions and the corresponding responses.

Any request for a study that contemplates a change in the Adopted Regional System or other Board-approved plan or which affects more than one signatory, is referred to the Board for discussion and appropriate action before any staff resources are authorized by the CEO.

Article VI - JURISDICTIONAL COORDINATING COMMITTEE

The Jurisdictional Coordinating Committee (JCC) was established by the Board to facilitate the exchange of information and viewpoints between jurisdictional and WMATA

staff on all substantive issues coming before the Board, and to improve the quality of information for Board decisions. Issues will be presented to the JCC sufficiently prior to any required Board action to ensure time for staff review, analysis and discussion. The agenda for meetings is established by WMATA staff in coordination with the annually elected Chair of the JCC. JCC meetings are open to participating jurisdictional and WMATA staff and invitees. Board Members are provided copies of the agenda and meeting summaries.

Article VII - COMMUNICATION WITH PUBLIC

The Board is committed to the broadest possible communication with customers, jurisdictional partners, signatories, the federal government, stakeholders, funding partners, transportation agencies, Board-established advisory bodies, other transportation service providers, and oversight agencies including the Tri-State Oversight Committee, and will provide regular opportunities to receive and respond to comments. Board and Committee meetings (other than executive sessions) will be publicly broadcast to the extent feasible.

Article VIII - BOARD MEETINGS

A. Schedule

The Board normally meets on the fourth Thursday of each month at a time specified by the Chair.

B. Quorum

A quorum requires the presence of four voting Board Members, including one from each signatory. In the absence of a principal Board Member, the alternate for that Member shall be considered to be a voting Member except that either alternate from the District of Columbia is considered to be a voting Member if either Principal Director from the District of Columbia is absent.

C. Special Meetings

The Board may vote to hold, or the Board Chair may call, a special meeting of the Board. Except in emergencies, 48 hours advance notification is required to hold a special meeting.

D. Public Notice

Notifications for the public concerning Board and Board Committee Meetings shall be posted on the WMATA Internet site ("WMATA website").

E. Public Comment

The Board shall provide an opportunity for members of the community to provide comments during its monthly Board meetings. From time to time the Chair may invite jurisdictional staff members, consultants, members of the Accessibility Advisory Committee, Riders' Advisory Council, or Tri-State Oversight Committee, or other parties to make a presentation or comment on a particular issue.

F. Actions

The actions of the Board shall be expressed by motion or resolution. The authority of the Board of Directors is vested in the collective body and not in its individual Members. Accordingly, the Board, in establishing or providing any policies, orders, guidance, or instructions to the CEO, General Counsel, Inspector General or Board Secretary, shall act as a body.

G. Voting

If a Principal Director is absent, his or her alternate Director may vote, except that either alternate from the District of Columbia may vote if either Principal Director from the District of Columbia is absent. No action of the Board shall be effective unless a quorum is present and a majority of the voting Board Members vote affirmatively, which majority shall include at least one principal or eligible alternate from each signatory, provided, however, that a plan of financing may be adopted or a mass transit plan adopted, altered, revised or amended by the unanimous vote of the voting Board Members from two signatories.

H. Limiting Jurisdictional Vetoes

The Compact voting requirements establish what is commonly referred to as the "jurisdictional veto," because, for other than a plan of financing or a mass transit plan, one signatory can block the proposed action of the Board. Board Members are responsive to their jurisdictional concerns, yet also have responsibilities to WMATA and the region as a whole. All Board Members will provide advance notice of the intent to invoke a jurisdictional veto, and will attempt to resolve disputes over proposed actions prior to invoking a jurisdictional veto. The Chair shall facilitate the resolution of disputes that may lead to a jurisdictional veto.

Article IX - AGENDA, MINUTES AND PARLIAMENTARY AUTHORITY

A. Agenda Development and Distribution

The final Board agenda and the supporting documents for the Board meetings shall be published in advance, except where unavoidable circumstances prevent advance publication or where the subject of the documents requires discussion in executive (closed) session, as provided in Article X.

B. Record of Board and Committee Meetings

There shall be a recording of every Board and Committee meeting, except for executive (closed) sessions pursuant to Article X, to be available for public review at the Office of the Board Secretary and on the WMATA website.

The written records of Board meetings shall be prepared by the Secretary, approved by the Board and made available to the public.

C. Parliamentary Authority

Except where inconsistent with the provisions of the Compact or these Bylaws, *Robert's Rules of Order Newly Revised*, as may be revised from time to time, shall be the Parliamentary authority at all meetings of the Board and of Board Committees.

Article X - EXECUTIVE (CLOSED) SESSIONS

A. Matters Appropriate for Executive Session

The Board, and Committees as provided in this Article, the Board's Code of Ethics or the Board's Procedures, may meet in executive session only to discuss critical, sensitive matters, and confidential or proprietary matters, the untimely disclosure of which may be detrimental to the Authority. Such topics include, but are not limited to, the following:

1. Budgetary matters that may affect legal positions, Authority contracts, or sensitive relationships with local jurisdictions or the federal government.
2. Litigation, investigations and other legal matters requiring the provision of legal advice or consultation with counsel and staff members.
3. Personnel or labor issues including discussions of labor contracts and labor negotiations, consideration or interviews of candidates for employment, and

the assignment, appointment, promotion, performance, demotion, or resignation of individuals.

4. Contractual or other matters involving confidential or proprietary concerns, or the investment of public funds where discussion in public would adversely affect the financial interests of the Authority.
5. Audit matters and investigations to include, for example, audits of IT security matters and investigations to be referred for further criminal investigation or prosecution.
6. Safety and security matters when premature release would compromise public safety.
7. Disposition of Authority property or acquisition of real property for Authority purposes where discussion in public would adversely affect the Authority's negotiating or bargaining position.
8. Pending or proposed legislation.

B. Procedures for Executive Session

An executive session of the Board shall be regularly scheduled, subject to cancellation by the Chair should there be no need for such a session. The agenda for each session shall be made available to the public prior to the meeting and shall include the title of each topic to be discussed, reasonably identified without violating confidentiality. Executive sessions may also be authorized by a public action of the Board in which the purposes of the session are reasonably identified. If the Board is not in session, the Chair may convene an executive session, which shall be announced immediately. Committees shall only meet in executive session when authorized by the Board's vote in a meeting consistent with Compact § 8(a),² or as provided in the Procedures or Code of Ethics.

The Board will not take formal action in executive session. Actions resulting from discussion in executive session must be taken at an open meeting of the Board. At the conclusion of each executive session, the Board or Committee shall reconvene in an open meeting to certify by an affirmative vote that only those matters identified prior to convening the executive session and only matters authorized by this Article were heard, considered or discussed in the preceding executive session.

² Compact § 8(a) provides, in pertinent part, "[N]o action by the Board shall be effective unless a majority of the Board present and voting, which majority shall include at least one Director or alternate from each Signatory, concur therein; provided, however, that a plan of financing may be adopted or a mass transit plan adopted, altered, revised or amended by the unanimous vote of the Directors representing any two Signatories."

Minutes of executive sessions will not be kept. Attendance at executive sessions of the Board is limited to Board Members, the CEO, the Board Secretary, the General Counsel, and other staff and persons deemed by the CEO and the Board to be necessary for the discussion.

Article XI - EMERGENCY SESSIONS OF THE BOARD

The Board and any Committee may meet by telephonic, video or other electronic communication means in either open or executive session with or without a quorum when the Chair (or First Vice Chair, if the Chair is unavailable) determines that there is an immediate need to provide Board Members with information regarding significant events that require their immediate notification and/or advice, or when Board action or Committee consideration is critically required on an issue that could not reasonably have been foreseen, and that cannot wait until the next meeting, provided:

1. The purpose of the emergency session is to address the emergency situation.
2. Public notice of the emergency session is given using the best available method given the nature of the emergency situation.
3. Procedures governing voting in an emergency Board session are as provided in Compact § 8(a).
4. Actions taken at an emergency Board session may take effect upon approval, but must be ratified at the next available open Board meeting.
5. To the extent feasible in the circumstances of the emergency situation, the proceedings of an emergency session will be broadcast to the public, and recorded for later posting on the WMATA website.

The Committee shall develop revisions and enhancements to these documents using a process of open discussions with stakeholders and other interested parties, ensuring any recommended actions are consistent with Compact requirements. The AAC, acting as a body, may make requests for information from WMATA staff through the Department of Access Services (or successor). The Board recognizes the value of the AAC having access to WMATA information and encourages WMATA staff to assist the AAC by providing such information, unless to do so would impose an undue burden, or the information involves a matter that would be considered by the Board in executive session or otherwise be exempt from disclosure under the Public Access to Records Policy.

The AAC periodically makes reports and recommendations to the Board, based on public input, so that WMATA can effectively address the diverse concerns of seniors and persons with disabilities who use WMATA services.

B. Riders' Advisory Council⁴

The Riders' Advisory Council (RAC) was established to actively seek input from a broad range of riders on operational and budgetary issues that affect Metrorail, Metrobus and MetroAccess riders and organizations with an expressed interest in public transit; advise the Board on ways to resolve such issues in order to improve Metrorail, Metrobus and MetroAccess; promote WMATA responsiveness to riders; and recommend possible solutions to the Board and staff, based on public input, so that WMATA can effectively address the diverse concerns of the riding public.

For matters coming before the Board that are of significant rider interest, the Board shall, to the extent reasonably possible, provide time for RAC consideration or evaluation before the Board takes action. The RAC, acting as a body, may make requests for information from WMATA staff through the Office of the Board Secretary. The Board recognizes the value of the RAC having access to WMATA information and encourages WMATA staff to assist the RAC by providing such information, unless to do so would impose an undue burden, or the information involves a matter that would be considered by the Board in executive session or otherwise be exempt from disclosure under the Public Access to Records Policy.

The RAC provides monthly reports to the Board concerning its activities and recommendations, and may send additional reports or recommendations.
