4. Expedited processing - processing a PARP/Privacy Act request on an expedited basis after a requester demonstrates an exceptional need or urgency for the records based on criteria established in PARP § 7.10.2 that warrants prioritization of his or her request over other requests that were made earlier.

10. Partial grant - decision to disclose a record in part in response to a PARP/Privacy Act request, redacting information determined to be exempt under one or more of the PARP/Privacy Act exemptions; or a decision to disclose some records completely, but to withhold others in whole or in part.
11. Pending request - a request for which WMATA has not yet taken final action.
12. Processed request - a request for which WMATA has taken a final action.
13. Routine requests - A request for records that requires less than 2 hours of staff time to retrieve and review (e.g. incident reports, crime statistics, or SmarTrip[®] records).
