** Metro Transit Police daily blotter reports show the time and location of arrests, reports and citations for a specified 24-hour period. Generally, reports are published every weekday, except holidays. Please note that blotter reports are not a comprehensive list of every police event, and information is based on initial reports made to MTPD. Follow-up investigations may reveal different or additional information. As a result, the classification of crimes may change as investigations are advanced. Please refer to crime statistics for official information. Incidents that occur aboard trains are reported from the nearest rail station.
