### **Directions to attend meetings at CTF:**

Since there is no visitors parking at CTF, visitors should use the WMATA shuttle bus to and from New Carrollton Station:

1. Obtain a memorandum for the shuttle bus use from the JDAC staff. Since the shuttle bus is for employees only, the visitor must have the memorandum in hand for the visit.
2. Travel by the Orange Line Metrorail to New Carrollton Station. Or, travel by car to the Station and park in the Prince George's County lot across Garden City Drive from the other parking facilities. See the **(P)** in the above location map. To park in a WMATA lot at New Carrollton Station requires a SmarTrip card to exit the lot and requires travel by Metrorail to avoid a high parking fee.
3. Please note that the Prince George's County lot is self pre-payment with one dollar bills only. Since there is no attendant and no change machine, visitors should bring one-dollar bills to the lot.
4. At the station, walk to the south side bus bay area. Then, walk along the bays to the second-to-last bus bay and shelter, labeled L99.
5. Use the L99 Shuttle Bus, showing the memorandum to the bus operator. The bus departs New Carrollton Station every 15 minutes on the 15-minute mark, from 5:00 am to 6:00 pm weekdays. A PDF of the L99 schedule and route is available upon request.
6. The shuttle bus will enter CTF, passing the guardhouse. JDAC staff will have notified the Metro Transit Police at the guardhouse of the visitors' arrival time (Ext 3087).
7. Exit bus at its stop at the entrance to Building C.
8. JDAC staff will be at the entry of Building C to receive the visitors.
9. To return to New Carrollton Station, board the shuttle bus at its stop. Show the memorandum to the bus operator.
