WASHINGTON METROPOLITAN AREA TRANSIT AUTHORITY 600 Fifth Street, NW, Washington, DC 20001-2651 AMENDMENT OF SOLICITATION / MODIFICATION OF CONTRACT

CONTINUATION SHEET Amendment 003 IFB CQ 17061/MW

Page 2 of 3

1. Would WMATA consider an offeror's bid responsive if the offeror proposed the temporary installation of an offeror owned beam and measurement system to the undercarriage of a WMATA owned rail bound vehicle for the purpose of completing Track Geometry and Full Rail Profile Measurement under the CQ 17061 Services Agreement? The assumption here is that the beam and systems could be easily installed and uninstalled before and after each measurement campaign.

Answer: Yes, WMATA would be open to this technology. Drawings of the beam, and specifications on the vehicle requirements for mounting would be needed to evaluate if this technology would work at WMATA. Contractor must specify if the operation of the beam require vendor staffing, or could WMATA employees operate the technology.

2. If WMATA would consider the proposal outlined in question one a responsive bid, would WMATA allow prospective offeror's to physically visit and view the rail bound vehicle proposed for measurement systems installation?

Answer: Yes.

3. Would WMATA consider an offeror's bid responsive if the offeror could only provide Track Geometry and Full Rail Profile Measurement in response to the CQ17061 Services Agreement? If a firm/offeror cannot provide Third Rail Inspection or Platform Measurement Services, should the firm proceed to make a bid or will the bid be considered non-responsive?

Answer: WMATA seeks the ability to measure track geometry, as well as third rail geometry. A bid offering less than what is desired would be considered incomplete of what WMATA is requesting.

4. Does the new layout of the Services Agreement Price Schedule Sheet mean that WMATA is allowing an \$885.00 reimbursement or consideration to contractors for Railroad Protective Insurance Premiums per measurement cycle?

Actual cost for Railroad Protective Insurance Premiums will be reimbursed and \$885.00 is an initiated estimate.
