50: QUESTION: Information Requested: On page 77 you state the following (emphasis added):

For the purpose of this RFP, Insurance Brokerage Services are apportioned as follows:

- 1) Property Insurance, including but not limited to insurance covering the risk of damage to property of the Authority, including business interruption, inland marine coverages, certain Ocean Marine coverages and builders risk Insurance programs.
- 2) Liability Insurance, including but not limited to general liability/excess liability Insurance placements, pollution liability, professional liability, railroad protective liability, workers' compensation, wrap-up Insurance, and surety bonding.
- 3) Management Liability Insurance, including but not limited to directors and officers Insurance, EPL, Crime, Cyber Risk, and Fiduciary Insurance products.

You mention for each of the 3 services that they are "including but not limited to" certain risks or coverages that you then list. Generally in a fixed price contract the services are agreed to in advance. By stating things this way, are you suggesting that any additional coverages that you might require at a later point during the contract period must be added/placed with no corresponding fee adjustment?

RESPONSE: Please see Attachment A for a list of the current coverage. If any additional insurance is desired WMATA will negotiate the fee with the selected Broker.
