FQ15130- Questions and Answers for the FY15 Non-Revenue Service Vehicles

Questions pertain to Item 10 – Police Motorcycles

1. Specification 2.4.1 Multicolor SuperVisor – Code represents this light bar is for automotive applications, not Motorcycle. If this line item was for a Police Motorcycle Tour Pak that will be sufficient for clarification.

Answer: The correct part number is HD93R3B.

2. Specification 2.7 seems to be an automotive application. If you need a Motorola Radio for the Harley-Davidson FLHTP Model, please specify a model applicable for that unit.

Answer: This is the correct model. It mounts in the trunk.

3. Specifications 4.1 through 4.7 Warranty, Original Equipment Manufacturer (OEM). The Harley-Davidson FLHTP Police Motorcycle comes with a 2/year Unlimited mile Warranty. There is the availability of an additional 1/year Extended Service Plan for a total of 3/years coverage. Specifications 4.4, 4.5, 4.6, and 4.7 are not available.

Answer: The Authority requests three (3) years minimum amount of coverage and note the exception for 4.4-4.7 as “not available” in the exceptions column on the Specification.

4. Do you actually need three set of Service and Parts Manuals for each Motorcycle?

Answer: Three sets per vehicle type. There is only one vehicle type on this Specification so only three sets are required regardless of the motorcycle quantity.

5. Specification 1.3 states Three (3) set of Keys for each motorcycles. Specification 5.6 states Six sets of keys. Please clarify.

Answer: The Program wants six set of keys for each motorcycle. Please provide.

END OF AMENDMENT A001
