CLARIFICATIONS OR INTERPRETATIONS
RFP No.FQ15180

1. **QUESTION OR COMMENT:** I am reading the requirements for your Ballistic Vest bid (FQ15180) and I noticed the following paragraph:

Introduction

The Metro Transit Police Department (MTPD) intends to purchase N.I.J. Standard 0101.06 threat level 2A and 3A concealable and outer tactical ballistic vest and accessories. MTPD is seeking a vendor to be the single point of contact for the entire lifecycle of the ballistic vest. The vendor must have repair facility not to exceed a distance of the capital beltway by 30 miles. The vendor must offer a 6 month total satisfaction guarantee.

My Officer's Only staff members are wondering what type of repairs you believe may be necessary. We are also wondering if the department is willing to waive that requirement? If so, we would enjoy the opportunity to bid an economical yet incredibly safe and proven vest.

CLARIFICATION OR INTERPRETATION: The type of repair we have experienced in the past are repairs to the outer carrier; typically a tear or a patch to the outer carrier in an area that makes repetitive contact with a duty belt or equipment holstered on a duty belt. The requirement for the repair facility will not be waived.

2. **QUESTION OR COMMENT:** I was not able to find any minimum or maximum quantities in the solicitation. I am sure I am just missing it in 101 pages. If it is not too much to ask, can you please give me the estimated quantities (minimum and maximum) for this solicitation.

CLARIFICATION OR INTERPRETATION: Please refer to section 23.TYPE OF CONTRACT. The minimum amount is \$500 and the maximum amount paid to any contractor as the result of this contract awarded during the Base Period (or any Option Period) shall not exceed \$250,000 per year.

3. **QUESTION OR COMMENT:** Can we request an exception to having the repair facility not to exceed a distance of the capital beltway by 30 miles.

CLARIFICATION OR INTERPRETATION: The intent for the 30 miles distance is to have a facility close to WMATA to minimize the time our officers are out because their vest is being repaired. Please provide a plan on how quickly you can perform the repair or if the repair can be performed at WMATA.
