AMENDMENT OF SOLICITATION / MODIFICATION OF CONTRACT  
CONTINUATION SHEET  
FQ15191/ER

A. The purpose this amendment is to change the following, to provide clarification regarding program management:

**1. Part I – Solicitation Instructions, Article 1(a):**

**From:**

- a. The Washington Metropolitan Area Transit Authority (WMATA) requires the services of a qualified firm to provide architectural, engineering, and design services to include, but not limited to, program management, construction management, feasibility studies, preliminary engineering, design engineering, surveying, mapping, or other related services for support of the WMATA facilities management program. These other services may include professional engineering related services, or incidental services that may be performed by a professional engineer, or individuals working under their direction, who may logically or justifiably perform these services.

**To:**

- a. The Washington Metropolitan Area Transit Authority (WMATA) requires the services of a qualified firm to provide architectural, engineering, and design services to include, but not limited to, program management (see SOW Section 4.2.3.) , construction management, feasibility studies, preliminary engineering, design engineering, surveying, mapping, or other related services for support of the WMATA facilities management program. These other services may include professional engineering related services, or incidental services that may be performed by a professional engineer, or individuals working under their direction, who may logically or justifiably perform these services.

**2. Add Part III – Statement of Work, Section 4.2.3:**

The GEC-FAC shall provide program and project management oversight of all ongoing task orders issued under this contract to assure implementation of the project management, quality, and safety requirements, along with the adherence to scope, schedule, and budget of issued task orders. The GEC-FAC shall manage all subcontractor work to assure work is performed in accordance with WMATA and project requirements, and develop monthly invoices for each task that has incurred charges.

B. The date and time for receipt of proposals has not changed. All other terms and conditions remain the same.
