REPORTS TO: Manager, Bus Service Operations

SUMMARY

The Bus Operator is responsible for delivering safe and timely public transportation service through the safe operation of the Washington Metropolitan Area Transit Authority (WMATA) commercial passenger buses on scheduled routes, while providing courteous and professional customer service to passengers. The employee adheres to all safety and traffic rules, regulations, policies, and procedures to ensure the well-being of all WMATA customers, employees, general public, and self. Responsibilities include but are not limited to, maintaining designated route schedules; assisting passengers; reporting situations involving disruptive passengers; employing defensive driving techniques; inspecting buses; completing reports; maintaining professionalism while under stress; monitoring fare collection; inspecting passes; and providing special assistance to disabled passengers. This is a safety sensitive position subject to the rules and regulations of WMATA's Drug and Alcohol Policy.

ESSENTIAL FUNCTIONS

- Safely operates and navigates the commercial passenger bus through traffic along assigned routes, under various environmental conditions, and in accordance with traffic laws and departmental regulations.
- Monitors fare collection from passengers, checks passenger electronic payment passes, and electronic passes to ensure they are valid.
- Communicates with customers, providing schedule, route, and fare information if the automated annunciator is inoperable or if a customer enquires directly.
- Prepares and submits accident and incident reports in accordance with established guidelines.
- Operates wheelchair lifts, ramps, and secures mobility devices to accommodate the elderly and passengers with disabilities, in accordance with the Americans with Disabilities

**WASHINGTON METROPOLITAN AREA TRANSIT AUTHORITY
POSITION DESCRIPTION**

Act (ADA).

- Properly uses the bus radio system by logging on to the Automated Vehicle Locator to communicate with the Bus Operations Communication Center (BOCC).
- Contacts BOCC regarding various emergencies such as medical emergencies, vehicle malfunctions, vehicle evacuations etc. and/or circumstances that may affect service such as heavy traffic, road hazards, road obstructions etc.
- Conducts routine post and pre – operational inspections of the assigned bus to document mechanical issues or vehicle damage.

The essential duties listed are not intended to limit specific duties and responsibilities of any particular position. Nor is it intended to limit in any way the right of managers and supervisors to assign, direct and control the work of employees under their supervision.

BUDGETARY RESPONSIBILITY

This job does not have budgetary responsibilities		<input checked="" type="checkbox"/>
This job has responsible for authorizing payments, purchases, check requests, reconciling the ledger for the department or other such activities.		<input type="checkbox"/>
