

**Explanation to Proposers: Questions and Responses**

**RFP-FQ15093/GG – Rehabilitation of Red Line Metro Rail System from Friendship Heights Crossover to Grosvenor-Strathmore Station**

**Status Date: 5/1/15**

No.	Proposer Question	WMATA Response
1.	<p>I've reviewed your notice for this project and cannot quite determine if there is any actual track work to be performed.</p> <p>Could you provide some guidance on this issue?</p> <p>We also have a large fleet of hi-rail vehicles and track repair equipment that may be needed by other crafts in performing their work.</p>	<p>There is no laying of track. If you require further clarification - provide very specific work items so we can answer as accurately as possible.</p>
2.	<p>Do you know who are the Prime bidders on this? Are the plans available?</p>	<p>WMATA does not have the plan holders list. Pre-Proposal Conference and Site Visits attendees list will be publicized on <a href="http://www.wmata.com">www.wmata.com</a> before May 8, 2015.</p>
3.	<p>We were unable to download the .dwg, .pc3 and .stb files from Volume 7 for this solicitation. Please advise.</p>	<p>Use Autocad software to download these files.</p>
4.	<p>We are experts in refurbishment and design of metro systems.</p> <p>I am in Washington, today and tomorrow.</p> <p>Could I visit you tomorrow, at your convenience to discuss your refurbishment for Red Line at WMata.</p>	<p>Refer to <a href="http://www.wmata.com/business/procurement_and_contracting/solicitations/view.cfm?solicitation_id=3304">http://www.wmata.com/business/procurement_and_contracting/solicitations/view.cfm?solicitation_id=3304</a> for the information on Pre-Proposal Conference which represents a networking opportunity.</p>
5.	<p>The solicitation lists the Preproposal as May 4 but does not give a time. Is it in the morning to allow time</p>	<p>Refer to the Synopsis following the link <a href="http://www.wmata.com/business/procurement_and_contracting/solicitation">http://www.wmata.com/business/procurement_and_contracting/solicitation</a></p>
