ANSWERS FOR EMPLOYEES

What is the SmartBenefits® “Plu\$50” Program?

It’s a new program that gives you \$50 just to try transit.

How do I enroll in the SmartBenefits® “Plu\$50” program and receive the free \$50 to try transit?

Talk to your Human Resource or Employee Benefits Manager; ask them if they currently have a transit or commuter benefit program in place.

What if they do?

Let them know about the NEW SmartBenefits® “Plu\$50” program and they will get you started.

What happens if my employer is unaware of this new program?

Give your employer this pamphlet and have them email the SmartBenefits® Sales Team at smartbenefits@wmata.com and ask about the Fairfax County “Plu\$50” incentive program.

I am pretty sure my company does not currently offer transit or commuter benefits. How can employees like me help start such a program?

Talk to your Human Resources contact. Let them know about this great cost saving program for employees.

What if they have questions?

Easy! Ask them to email the SmartBenefits® Sales Team for more information at smartbenefits@wmata.com.

So I talk to my employer, then what?

The Plu\$50 program takes over from there by sending each new participant a SmarTrip® card via their employer. Then the program works with your employer to load the SmarTrip® card with the free \$50 for you to give transit a try.

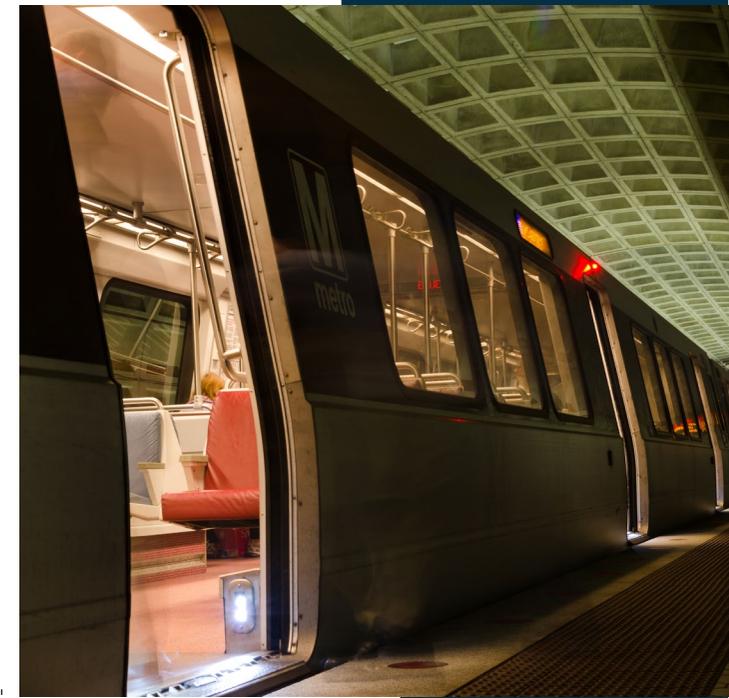

Remember, you can always visit www.wmata.com to plan your route using the Trip Planner and you are ready to start taking transit to work and back home for free!

What happens when my \$50 incentive runs out?

After you have enjoyed your free commute using the Plu\$50 incentive, it is now time to let your employer know that the Plu\$50 program has you hooked on taking transit and that you now want to enroll full-time in the SmartBenefits® monthly commuter benefits program.

Enjoy your commute. Enroll in the Smart Benefits® “Plu\$50” Program today!
