**III. Definitions**

1. Average Number - the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
2. Backlog - the number of requests or administrative appeals that are pending at the end of the quarter that are beyond the statutory time period for a response.
3. Complex Requests - a request for records that generates voluminous records (more than 1000 pages) and/or requires coordination with several offices and/or third parties (e.g. requests for contracts).
4. Denial - an agency decision not to release any part of a record or records in response to a PARP/Privacy Policy request because all the information in the requested records is determined by WMATA to be exempt under one or more of the PARP or Privacy Policy exemptions, or for some procedural reason (e.g. no record is located in response to a PARP/Privacy Policy request).
5. Expedited Processing - processing a PARP request on an expedited basis after a requester demonstrates an exceptional need or urgency for the records based on criteria established in PARP § 7.10.2 that warrants prioritization of his or her request over other requests that were made earlier.
6. Grant - a decision to disclose all records without redaction in response to a PARP/Privacy Policy request.
7. Initial Request - a request to Metro for access to records under the PARP/Privacy Policy.

9. Non-Perfected - a request that is not processed because WMATA is waiting on supporting documentation (e.g. notarized release) or payment from the requester.
10. PARP Appeal - a request asking for administrative review of a full or partial denial of a request for records and/or denial of a fee waiver.
11. PARP Request - a request for records concerning WMATA, a third party or a particular topic of interest.
12. Partial Grant - decision to disclose a record in part in response to a PARP/Privacy Policy request, redacting information determined to be exempt under one or more of the PARP/Privacy Policy exemptions; or a decision to disclose some records completely, but to withhold others in whole or in part.
13. Pending Request - a request for which WMATA has not yet taken final action.
14. Perfected Request - a response for records which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any) and procedures to be followed.
15. Privacy Appeal - a request asking for administrative review of a full or partial denial of access to records and/or a refusal to amend records.
16. Privacy Policy Request - a request for access to records concerning oneself; such requests are also treated as PARP requests.
17. Processed Request or Appeal - a request for which Metro has taken a final action.
