

Metro Procurement Opportunities

Quarterly Newsletter

June 2022 - Issue 2

Welcome

Thank you for your interest in Procurement Opportunities with the Washington Metropolitan Area Transit Authority (WMATA/Metro). This quarterly newsletter offers a forward-looking view of potential solicitations, updates, and guidelines for working with Metro.

Please confirm your interest in receiving future newsletter issues [here](#).

NOTE FROM METRO'S CHIEF PROCUREMENT OFFICER

Strengthening Business Partnerships

WMATA has long been a champion for businesses in the National Capital Region. We have lasting relationships with companies of all sizes, and are always looking to engage more small and disadvantaged businesses in agency procurement opportunities.

This newsletter issue features an update on our new small, micro, and minority business initiatives. Our goal is to help level the playing field and encourage collaboration amongst our current and prospective business partners so that we can all grow and succeed.

We look forward to your participation in our outreach events and future projects.

Sincerely,
Suzette Moore, Chief Procurement Officer

IN THIS ISSUE

The June 2022 newsletter highlights several prospective procurement opportunities, with information on the anticipated delivery method, potential contract value, planned solicitation timeframe (season/year), and SBPO participation expectations provided below.

Chiller Upgrades and Plant Rehabilitation at 4 Facilities

Planned Solicitation: Winter 2022/2023
SBPO Participation:** Disadvantaged Business Enterprise

* Estimates subject to change
** Small Business Program Office (SBPO) participation includes DBE/SBE/MBP/MBE initiatives

UPDATES

New Socioeconomic Programs

Metro has rolled out the new Minority Business Enterprise Program (MBE), Small Business Program (SBE) and Micro-Business Program (MBP). These Metro-led initiatives were created for the purpose of providing additional contracting opportunities for small, women, and minority owned businesses. Metro has leveled the playing field for you to do business with us, either directly as a prime contractor or indirectly through subcontracting.

For additional information on eligibility and programs, visit the [Small Business Programs Office](#) site. To view the SBPO Quarterly Newsletters, visit the [SBPO News page](#).

Meet the Primes

Metro is hosting an upcoming Meet the Primes event on **June 28, 2022** to showcase sub-contracting opportunities for local businesses - Register [here](#).

Procurement & Contracting

To participate in future procurement solicitations, please register or update your vendor information on the [Metro Supplier Portal](#). For information on active solicitations, please visit the [Metro Procurement Opportunities](#) website, including the following capital projects:

- Structural Rehabilitation Project B - Bids closed on June 2, 2022
- Dry Fire Standpipe Replacement - Bids closed on June 8, 2022
- Bike Parking Equipment, Operations, and Maintenance - Bids closed on June 8, 2022
- Magnetic Particle Inspection Equipment - Request for Information - Responses due by June 15, 2022

Upcoming Request for Information (RFI)

Metro will publish an RFI on **Pilot Switch Machines for Rail Switch Points** in the coming weeks to identify potential vendors, resources, and new technologies to pilot on Metro's rail track network.
