Pathway to Doing Business with Metro – WMATA's Supplier Portal

June 23rd, 2022

Agenda

During this session we will discuss:

- What is the WMATA Supplier Portal
- Supplier Profiles
- WMATA Supplier Portal Layout

What is the WMATA Supplier Portal?

The WMATA Supplier Portal is a PeopleSoft application customized for the Washington Metropolitan Area Transit Authority (WMATA).

The WMATA Supplier Portal is designed to conduct business transactions in a secure self-service environment through an internet-based portal for current and potential suppliers and will be the primary source for WMATA advertised solicitations.

Supplier Profiles (1 of 2)

Suppliers (individuals or organizations) interested in conducting business with WMATA must complete the New Supplier Registration process on the WMATA Supplier Portal website. (<https://supplier.wmata.com>).

Supplier Profiles (2 of 2)

Once registered, Supplier profiles within the WMATA Supplier Portal are characterized as either bidders or vendors.

Bidders

- Access active solicitations
- View & submit bids/proposals/quotes
- View awarded contracts
- Update business address & contacts
- Apply or renew DBE certifications
- Reset passwords
- Submit prompt payment
 - Sub-contractors on existing contract

Vendors (WMATA Only)

- Access active solicitations
- View & submit bids/proposals/quotes
- View awarded contracts
- Update business address & contacts
- Apply or renew DBE certifications
- Reset passwords
- *Review Purchase Order (PO) transactions*
- *Acknowledge PO's*
- *Review invoices*
- Submit prompt payment

WMATA Supplier Portal Layout

WMATA Supplier Portal Layout

New Supplier Landing Page!

A few features Suppliers can expect to see are:

- **Homepage** – new **Homepages** will provide *Tiles* (action icons), similar to the functionality currently available on most smartphones and tablets.
 - Delivered Homepages:
 - **Supplier Portal Home Page**
 - **Manage Supplier**
 - **Purchasing and Accounting**
 - **Socio-Economic Services**
- **Quick Access/NavBar** – users will retain access to their previously saved **Favorites** and continue to be just one click away from their **Most Recently Visited** items.

Inventory Qualified Parts List

By selecting this tile, interested suppliers can view WMATA's parts list for future procurements.

Part/Supplier Qualifications

Suppliers Wanted

Washington Metropolitan Area Transit Authority is looking to expand our Supplier data base by qualifying parts for future procurements.

Supplier contacts WMATA QPG by email. Supplier will receive a Questionnaire & part information form to completed and returned to WMATA QPG.

WMATA provides Supplier detail of parts. Supplier then produces First Article Inspection (FAI) pieces at Suppliers Cost.

Parts are then evaluated through FAI and testing requirements.

Parts that meet all requirements will be added to the qualified Parts List and Supplier will be notified.

The attached spreadsheet shows the parts we are currently soliciting qualification for.
