

Reduced Fare Program for People with Disabilities

Under this program, people with disabilities may travel on Metrobus and Metrorail for half the regular (rush hour) fare at all times.

Who should apply

People with disabilities who can use the accessible bus and rail public transportation. See page four for guidance on submitting the completed application. The minimum age to apply for this program is 5 years old.

Who is not eligible

People whose sole incapacity is pregnancy, obesity, acute or chronic alcoholism or drug addiction or have a contagious disease. Financial need is NOT a consideration.

Senior Citizens

People 65 years or older automatically qualify for reduced fares through the Senior SmarTrip®. Senior citizens can purchase a Senior SmarTrip® card by showing a valid photo ID with proof of age at any Metro Sales office, commuter store or other select retail outlet. **People 65 years or older cannot be issued a Reduced Fare/SmarTrip® card.**

Medicare Recipients Under 65 Years of Age

Medicare recipients under the age of 65 automatically qualify for reduced fares and do not need to complete an application. To receive the Reduced Fare/SmarTrip® card, Medicare recipients under 65 years of age must bring a valid photo ID and their original valid Medicare ID card to the Transit Accessibility Center at the address below.

Disabled Veterans

Disabled Veterans who have been granted a 60% or greater disability rating by the Department of Veterans Affairs do not need to complete Part B or C of the application. The applicant must appear in person at the Metro Transit Accessibility Center, 600 5th Street, NW, Washington, DC with a valid photo ID and an original or recently downloaded letter of disability notification issued by the Department of Veterans Affairs. Disabled Veterans rated at 100% can show their valid DD Form 2765 Department of Defense Uniformed Services ID card in lieu of an award letter.

Completing the Application

1. Read the entire application and complete Part A on page two.
2. Take the application to your healthcare professional for certification of Part B & Part C on page three. One of the following health care professionals must certify you to qualify for a Metro Disability ID Card: Physician, Physician's Assistant, Nurse Practitioner, Audiologist (hearing disabilities only), Optometrist (visual disabilities only), Podiatrist (foot and ankle disabilities only), Licensed Clinical Psychologist (psychiatric disabilities only) or Certified School Psychologist.
3. **Healthcare professionals must review Part C Guidelines for Health Care Professionals on page 3.**
