

## Proposed Service Adjustments by Jurisdiction

The tables below indicate the proposed levels of service by line, which are proposed to become permanent for December 2020, as compared to pre-pandemic approved levels of service. For each route, by day of the week, the entries indicate:

- **No change:** Proposed service is the same level as approved by the WMATA Board of Directors on April 2, 2020 for the fiscal year starting July 1, 2020 and ending June 30, 2021, with the exception that any trips starting after 12 am will be eliminated.
- **Reduced:** Proposed service is reduced on that day of the week compared to the levels of service approved by the WMATA Board of Directors on April 2, 2020 for the fiscal year starting July 1, 2020 and ending June 30, 2021.
- **Modified/Extra Trips:** Extra service beyond the level approved by the WMATA Board of Directors on April 2, 2020, for the fiscal year starting July 1, 2020 and ending June 30, 2021, is proposed to cover other services that are proposed to be eliminated.
- **Minor Change:** Proposed service is modified on that day of the week compared to the levels of service approved by the WMATA Board of Directors on April 2, 2020, for the fiscal year starting July 1, 2020 and ending June 30, 2021, below the threshold that requires WMATA Board approval for the change in service.
- **Eliminated:** Service is proposed not to operate on this route on this day of the week even though service was previously included in the level of service approved by the WMATA Board of Directors on April 2, 2020, for the fiscal year starting July 1, 2020 and ending June 30, 2021.
- **N/A:** This service did not operate on this day of the week prior to the pandemic and would continue to not operate on this day of the week.

Please follow the links in the table to access the public timetable showing the current temporary levels of service that became effective in August 2020. The proposed service would operate at the same level of service, with only minor trip time adjustments, to the service, which is currently operating as a temporary response to the pandemic.

## **FAIR OAKS-FAIRFAX BOULEVARD LINE – ROUTE 1C**

### **PROPOSED CHANGE**

- Discontinue service between Fair Oaks Mall and Alliance Drive (McConnell Public Safety and Transportation Operations Center)

### **ROUTE/SEGMENT ELIMINATION**

- All service between Fair Oaks Mall and Alliance Drive would be eliminated

### **ALTERNATIVE SERVICE**

- Fairfax Connector routes 605, 621, and 623 at stops at Post Forest Road & West Ox Road and West Ox Road & Fair Lakes Parkway

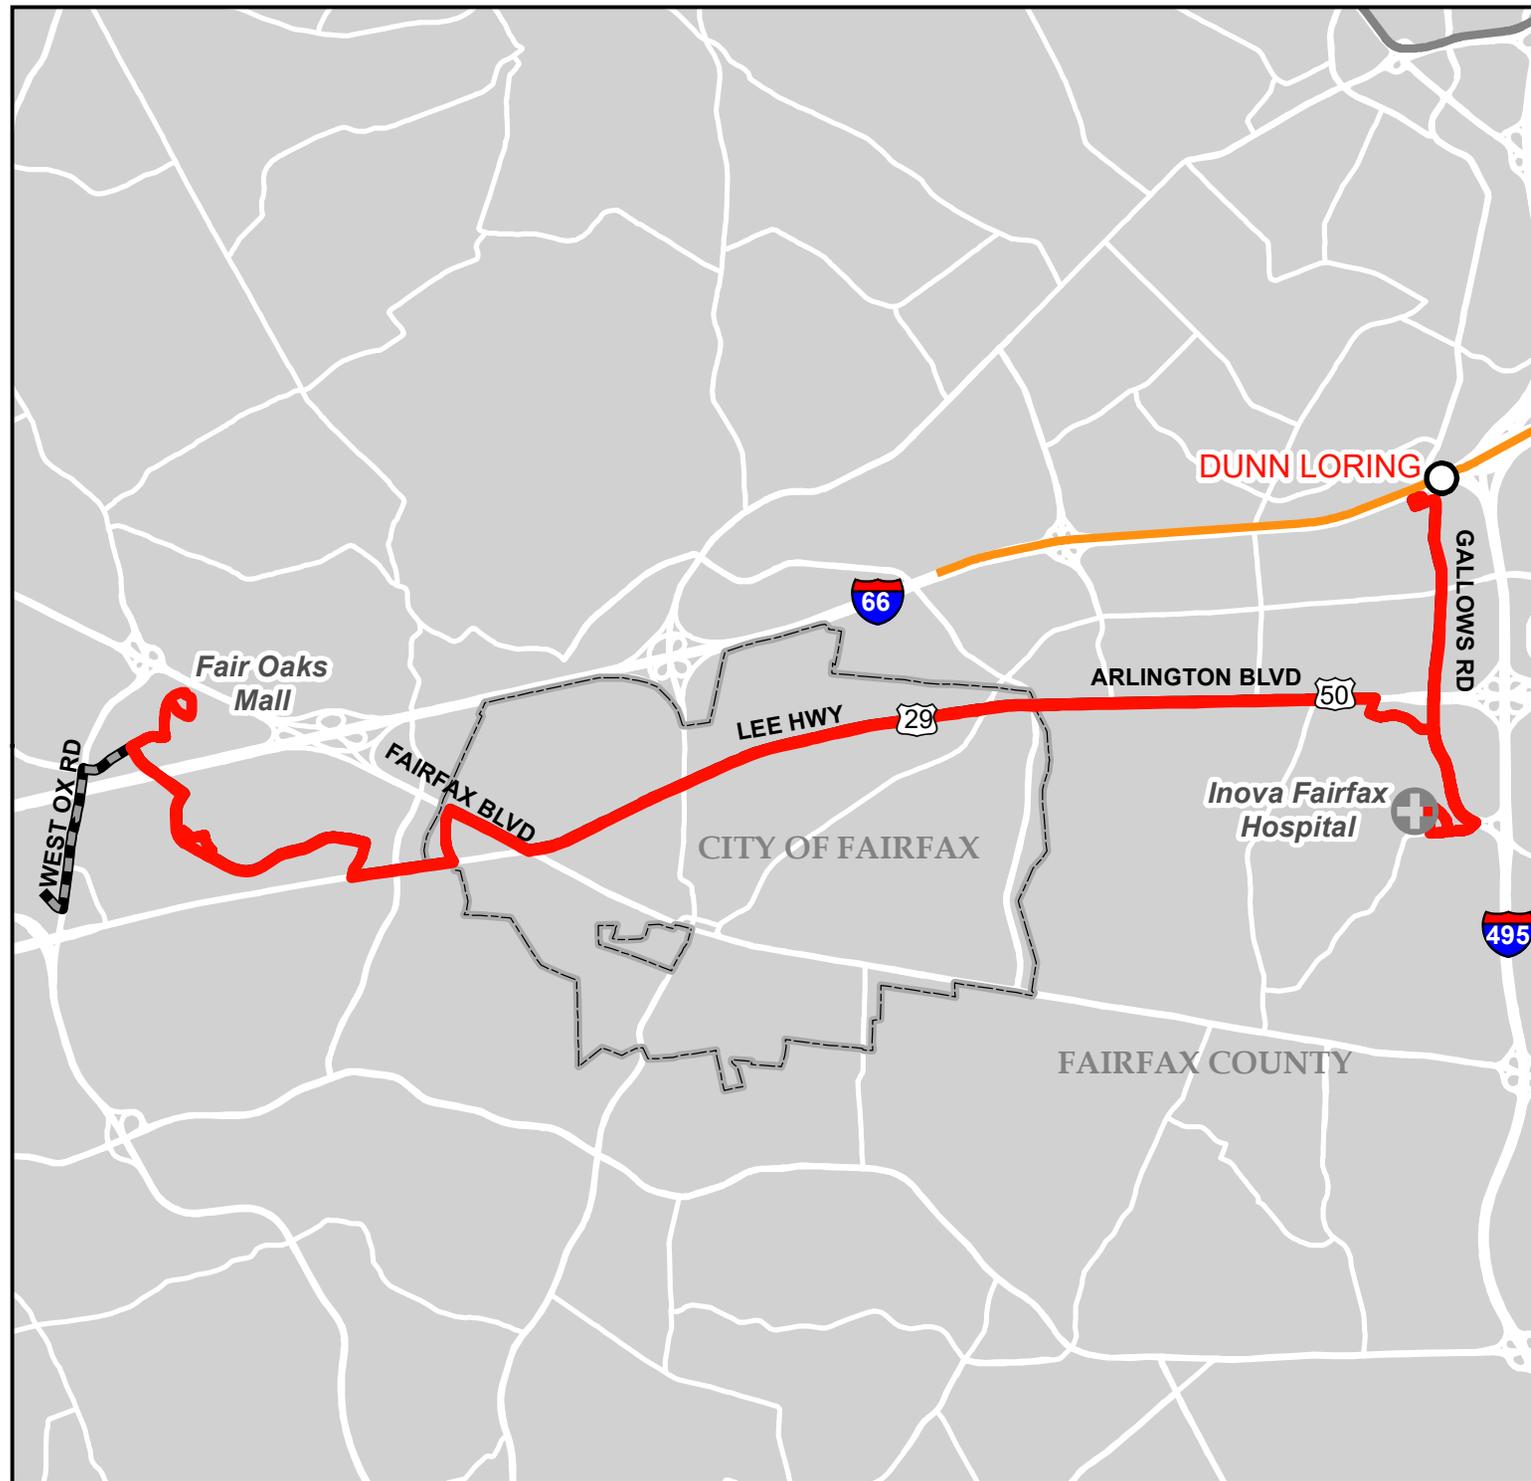

### **REASON FOR CHANGE**

- Proximity of alternative Fairfax Connector service at stops at Post Forest Road & West Ox Road and West Ox Road & Fair Lakes Parkway
- Proposed realignment of service operations from the West Ox Road bus operating division to other bus operating divisions in Virginia makes the connection to Alliance Drive inefficient
