

2023 Major Construction

Effective: June 3 – June 25, 2023

Project Overview

Metro's 2023 Major Construction is a four-part construction project focused on maintenance and rail technology upgrades. These improvements will modernize the Metro system and increase reliability for customers.

The project is happening in several phases:

- May 12 – 21** Waterproofing station roofs along the eastern  in Maryland
- June 3 – 25** Replacing rail and installing fiber optic cables on the western  and  in Virginia
- July 22 – Sept. 4** Installing fiber optic cables on the northern  in Maryland

Key dates:

- June 3 - Vienna, Dunn Loring, West Falls Church, and East Falls Church close for construction.
- June 25 - East Falls Church and West Falls Church reopen.
- July 16 - Vienna and Dunn Loring reopen.

Station Closures

 **Vienna**

 **Dunn Loring**

 **West Falls Church**

  **East Falls Church**
