

Major Construction

Project Overview

Metro is undertaking major construction on the Blue and Yellow lines to rehabilitate the Yellow Line tunnel and bridge between L'Enfant Plaza and Pentagon stations and connect the future Potomac Yard Station to the Metrorail system.

Potomac Yard Prep Work

During the Potomac Yard prep work, six stations south of Reagan National Airport on the Yellow and Blue lines will be closed from Sept. 10 – Nov. 5, 2022. During the station closures, construction crews will connect new rail track to the mainline system and perform brake safety testing.

Yellow Line Tunnel and Bridge Rehabilitation

The Yellow Line tunnel and bridge rehabilitation work will require both structures that cross the Potomac River to close from Sept. 10, 2022 – May 2023. The structures date back to Metro's original construction and are nearing the end of their useful life expectancy. This rehabilitation work is necessary to ensure that both structures continue to function safely for years to come.

Capital Improvement Program

Metro is investing in system safety, reliability and the region's economy through its 10-year, \$15 billion capital program. For the first time in Metro's history, the capital program is bolstered by dedicated funding from Maryland, Virginia and the District of Columbia to improve the customer experience and keep the region's infrastructure in a state of good repair.

Station Closures

The following Blue and Yellow line stations will be closed Sept. 10 – Nov. 5, 2022:

-   Braddock Rd
-   King St-Old Town
-  Van Dorn St
-  Franconia-Springfield
-  Eisenhower Ave
-  Huntington
