**RIDE SILVER!** (Image: [Ashburn](#)):

**It's here!** Travel from Ashburn to Downtown Largo and everywhere in between—the full Silver Line is open! From an idea first championed decades ago to concept drawings to construction, the Silver Line Extension is officially in service! Six new stations along 11.4 miles of track, endless possibilities.

For some, this is the first time a Metrorail ride has been a viable transportation option. For others, the Silver Line Extension provides access to a whole new set of employment, education, entertainment, and housing options. For everyone, it's cause for celebration! 🎉

Load your [SmartTrip®](#), study the new Metro [system map](#), and visit [wmata.com/silverline](http://wmata.com/silverline) for your one-stop source of Silver Line Extension news. **RIDE SILVER!**

**Meet your new Silver Line Extension stations!** (Video: [Dulles Station Tour](#)):

How do you get from the Metrorail station at Washington Dulles International Airport to your flight? Where can you catch the connecting transportation options at each of the six new stations? What can you expect inside the stations if you use an assistive mobility device? To help plan your travel, [wmata.com/silverline](http://wmata.com/silverline) has video tours and detailed station information for each of the six new stations: [Reston Town Center](#), [Herndon](#), [Innovation Center](#), [Washington Dulles International Airport](#), [Loudoun Gateway](#), and [Ashburn](#).

You can view for yourself the quick and easy, enclosed route from the [Washington Dulles International Airport Metrorail station](#) to the baggage claim area of the airport, as well as tours of the other five Silver Line Extension stations.

Welcome aboard, **RIDE SILVER!**
