Service Levels
 For all service providers, a thick line indicates frequent, seven-day service on the core route. Service levels vary on branches.
 On all route types, a lowlighted badge indicates a route segment with limited or peak-only service hours.
 On all route types, a black badge indicates the route's terminal point.

Service Level Badges
 151 all-day service
 159 limited service
 10A

BUS SERVICE AND BOARDING LOCATIONS

The table shows approximate minutes between buses; check schedules for full details

metroAlerts

Through MetroAlerts, you can be notified of Metro service disruptions via email or text messages. MetroAlerts can be sent to computers, cellular phones, pagers or personal digital assistants capable of receiving data. MetroAlerts are limited to 140 characters to prevent them from being truncated when received as text messages. If further information on the incident is available, it is published on the website and a link to that information is included in the MetroAlert.
