 * Certain D13 trips end at Camp Springs, see schedule for details.
 ^ After 9:00 pm only. Does not operate through United Medical Center roadway.

metroAlerts

Through MetroAlerts, you can be notified of Metro service disruptions via email or text messages. MetroAlerts can be sent to computers, cellular phones, pagers or personal digital assistants capable of receiving data. MetroAlerts are limited to 140 characters to prevent them from being truncated when received as text messages. If further information on the incident is available, it is published on the website and a link to that information is included in the MetroAlert.
