

5 Tips for Your Return to Metro

Whether you're going back to the office or to school, let Metro take you where you need to go this Fall. If you haven't ridden with us in a while, here are some tips to help you prepare for your return.

Plan your trip with confidence.

Starting September 5, we're adding more trains and buses and offering discounts to make your return easier.

Mask up to protect those around you.

Federal law requires that facial coverings be worn by all riders and employees.

Download the SmarTrip® app.

Check your balance, reload your card, and so much more, right from your phone.

Replace your old SmarTrip card if it's from 2012 or before.

New, more reliable faregates are coming, but your old SmarTrip card won't work. Let us replace it for free.

Sign up for MetroAlerts.

Customize your alerts to be informed of any important information related to your favorite routes or stations.
