Smart for Employees. Smart for Employers. Smart for You.

SmartBenefits® is a free way for you to save on your commuting costs while your employer saves on payroll taxes.

Your employer can offer SmartBenefits® as a direct employee benefit, a pre-tax deduction, or a combination of both. However they offer it, it's a way to lower the cost of your commute.

You can use SmartBenefits® to pay for transit and parking anywhere Metro's SmartTrip® card is accepted, including at Metrorail parking lots. You can also use SmartBenefits® to pay for MARC, VRE and MTA Commuter Bus passes, as well as MetroAccess. Hundreds of vanpool operators accept SmartBenefits®, too.

**TELL YOUR BOSS TO LOOK INTO SMARTBENEFITS,
